THIS
BOOK IS
DEDICATED
TO...
JOAN FENTZLING, Names Editor—Joan is the person responsible for gathering over five thousand names which were used for the division pages and the unique dedication.

JEAN COUTIER, General Layout—As a general duty helper, Joan gathered information for special pages, typed and worked on the faculty pages.

MARI TURCOTT, Coordinating Editor—As coordinating editor, Marie had the task of bringing all of the loose ends together. Acting as messenger, she gave out assignments, made contacts for the editor, and was responsible for much typing and the entire index.

BOB GREER, Assistant Photographer—As assistant photographer, Bob took many pictures of groups, campus scenes, and special assignments for fraternity and sorority activities. Many of the prints were the results of his hours in the dark room.

1949-1950—A SIGNIFICANT YEAR

The year of 1949-1950 marks another milestone in our progress toward the long dreamed of Greater San Diego State College. This June for the first time since the founding of our College in 1897 as a two-year normal school, graduate students were awarded masters degrees. Furthermore, many students marched across the platform at Commencement to receive their bachelors degree, having successfully completed the newly developed occupational curricula which prepared them both for effective employment in the business and industry of our great area and for intelligent and contributing participation in the cultural and civic life of today's world. Other students have completed the requirements which will permit them to enter the graduate programs of the university of their choice for advanced study required for entering the higher professions.

Our faculty of 220 reflects education, and in many instances teaching experience, in the best universities of the United States and Europe. The student body of 4200 regular full-time students, and a total enrollment of 5000, compares most favorably with the intellectual potentiality of the nation's outstanding universities and colleges in terms of standardized test results.

Our campus acreage has been extended by some 38 acres and plans for six new buildings are now on the architects' boards, while two such buildings were completed and occupied during the past year. And before another twelve months have passed the six additional buildings will be nearing completion.

Thus we see that 1949-1950 has been a year of great significance in the development of your Alma Mater. Each of us, faculty member and student alike, can view with justifiable pride the increasing size and beauty of the plant and the comprehensiveness and quality of the educational program of the Greater San Diego State College.

The A.S. Council sponsored a train trip to the Fresno football game, and the Rally Committee was responsible for numerous rallies and after-game dances during football season. The two Presidents' Dinners, arranged by Marion McDermott, were very successful. Students were given a chance to voice their opinions in the Student Opinion Poll. Sale of A.S. Cords during both semesters was unusually high, due to a new sales program. The "Aztec" Brochure was revised by a special committee. Council members were active in making the Dean's conference a success. "Aztec Day" was held at Del Mar on May 9th. A special A.S. Trust Fund of $1,250, known as the Charles Sportsman - Student Word Assistance Fund, was created by the Council. The debt of the A.S. Council was reduced by the Council by $2,500.

JOAN TALBERT, Class Editor—In charge of the class pages, Jo did an outstanding job of organizing the information and doing other odd jobs equally well. She was always ready to work.

JOE STOWERS, Art Editor—Although art was not emphasized in the annual this year, Joe drew the characters used in the division pages and gave much helpful advice on the layout designs.

NANCY DULL, General Layout—Doing much typing and leg work were only part of her contributions to this year's Del Sud. Nancy also assisted with filing of seniors and the index.

BARBARA LATHAM, General Layout—Another of our errand girls and general duty worker, Barbara was often called upon to help other editors on the staff with the completion of their sections.

PAMELA JOY, General Layout—One of our errand girls, Pam gathered information concerning many of the organizations, the President's message, and histories of the sororities. (Not pictured.)

The largest Senior Class in SDSU history began their full year of activities with a Senior Class meeting to plan the year's social activities, and announce the first dues ever asked of SDSU Srs., 50 cents, to raise funds for these activities and gifts to the college from the class.

Activities began with 2 successful Coffee Klatches in Scripps Cottage, during the Fall and Spring semesters. The Jr.-Sr. Prom in May was a wonderful dance given the whole Senior Class by the capable Junior Class. Baccalaureate, with a speaker from each Faith, was an inspiring service, and well attended. Then after Commencement, the Sr. Dinner Dance celebrated the very end of college days, and awarding of diplomas and honors, and the beginning of a new part of all our lives.

The whole Sr. class thanks their faculty sponsors, Dr. Gail Burnett and Dr. Lewis B. Leslie, for their inspiration and help.

This class of helpfuls kept rather busy this year with such activities as a beach party for Juniors, Junior Class Dance and sponsoring a booth at the WRA Carnival, as well as winning the Sadie Hawkins Day chariot race in competition with the other classes. Last but probably the most important affair which this class sponsors is the Junior-Senior Prom in May.
Determined to have this year's Sophomore-sponsored activity a benefit to the College, the officers and committee of the Sophomore Class planned a Student-Faculty basketball game, proceeds of which went to the Student Union Building Fund.

The Frosh Class has really been active this year but instead of resting on their laurels they have their plans ready for next year and the new Frosh Class. Their main activities this year were the two outstanding Blue Book Balls and a reception for the Senior Class Cabinets of the local high schools. This group is providing two $50 scholarships for outstanding incoming freshmen, and they will co-sponsor the Frosh Orientation Camp this fall.

The Associated Women Students of SDSU enhance the school calendar annually with a bevy of top-ranked campus activities. Distinctive among these is Femme Frolics, an annual Greek bowl presentation in which all women's organizations compete to strike a note of originality in their interpretation of the selected theme.

In keeping with the tradition of the occasion the AWS presents once every year a gala "First Nighter" opening at the Little Theater on campus complete with stage door interviews, formal dress, and first night glitter.

A redeeming factor in the orientation of freshman students on our campus is the Big Sister Program carried out by the AWS by means of which each entering student is provided with an upper-classman campus sister who helps her with the "ins and outs of campus life. The program begins during the summer and continues through registration.

An anxiously awaited "Frosh Fete," annual fall fashion show in which representatives from women's organizations participate as models, is provided by the AWS annually in conjunction with the Big Sister program. Frosh Fete has become a vastly popular part of "big and little sister" relationship at State College.

Once a year the AWS takes pleasure in honoring their graduating senior women with a traditional assembly and luncheon on campus.
Small but growing, State’s dynamic Alumni Association this year moved closer to its goal of 100 per cent membership, a strong program of scholarships, active participation in campus life and establishment of permanent Alumni Association headquarters.

The Alumni Association, well known and very active before the war, became non-active during the period of conflict. In November, 1945, under the leadership of Barney Garman, the Association was completely reorganized. Garman became the first post-war president, followed by Mrs. William E. Self (Jean Comody ’42), Robert Brethbord, ’41, Joseph Suczko, ’43, Byrom Lindsay, ’37, and now Gordon Wiggins, ’36.

The list of activities has steadily grown year by year. The Alumni News has been published monthly since 1946. An Alumni office has been maintained on campus with a part-time paid assistant keeping financial and membership records.

The Association has sponsored athletic events, lettermen’s reunions, secured first choice of season tickets for members, instigated the formation of the Aztec Athletic Angels, sponsored an annual stage production and the Alumni show, the "Adobe Follies."

Members take an active part in the Annual Homecoming Day program including sponsorship of Open House on campus, the Homecoming Dance and the parade of floats. The Alumni now take part in the annual Founders’ Day Open House observance, donate trophies each year for the best supporting actors in the annual One-Act Play tournaments and established the Annual Alumni Conference.

The Association looks forward to a future bright with the promise of an increasing role on campus and in the community.
DOROTHY TALBOTT, Sorority Editor—In charge of the sorority pages, Dottie worked diligently collecting names, histories, and officers. Laying out the pages, proofing them and pasting the pictures accounted for a small portion of the time she devoted to this book.

MARILYN JENNINGS, Assistant Sorority Editor—Although Marilyn worked only a half year on the book, she contributed much to the sorority section.

FRANK HICKEY, Assistant Fraternity Editor—As assistant Fraternity Editor, Frank handled half of the Fraternity pages and the Inter-Fraternity Council pages. Running down information on the frats, laying out pages, pasting and typing were a few of his duties.

DICK McCORD, Fraternity Editor—As Fraternity Editor, Dick worked all year to get the fraternities to turn in the needed information and proofread their pages. Checking names, writing histories, listing officers, laying out pages and pasting the pictures on the pages were some of his duties.
The Panhellenic Council, which was introduced to San Diego State College's campus in the summer of 1949, is carrying on the duty of the former Inter-Sorority Council, that of uniting the eleven sororities on this campus. Representing all groups, it is the supreme authority in inter-organization affairs.
Delta Eta chapter of Alpha Gamma Delta was installed on San Diego State College campus October 1, 1949. Prior to their pledge period, which began on June 4, 1949, this group was the local Gamma Phi Zeta sorority. This first year for the Alpha Gams at State has been a busy one. In addition to their traditional activities carried over from Gamma Phi days—such as a Halloween Party, their annual dance “Pandemonium,” on Easter party for a cerebral palsy group, and several other lesser activities, the year has seen constant and diligent work on the part of each member in the organization of the chapter. In April of this year, Delta Eta chapter held its first International Reunion Day, celebrating the 46th birthday of Alpha Gamma Delta International Fraternity.

Alpha Phi International Fraternity was founded October 10, 1872, at Syracuse University, Syracuse, New York. Long a leader among women’s fraternities, Alpha Phi boasts several “firsts.” It was the first women’s fraternity to own and occupy a chapter house, first to have a visiting delegate system, first to have an endowment fund of $20,000, first to publish a History of the First Fifty Years; and first to call on Inter-Sorority Council, the organization now called National Panhellenic Conference.
Alpha Xi Delta was founded April 17, 1893, at Lombard College, Galesburg, Illinois. Activities: Christmas Formal, Bridge Tournament for students with Sigma Phi Episcop, Mother’s Day Tea, Spring Formal. There is a nationwide observance among all chapters of April 17, the Founders’ Day of Alpha Xi Delta, at which time collections are taken in support of the current national philanthropic project. Advisor, Mrs. William Briggs.

Delta Zeta International Sorority was founded at Miami University, Oxford, Ohio, on October 24, 1902. Gamma Omicron, the 69th chapter, was installed at San Diego State College November 19, 1949, with ceremonies at the El Cortez Hotel. Traditional activities include Mistletoe Magic, annual Christmas Formal dance, Moonlight Mood, formal spring dinner-dance, Mother’s Day breakfast, formal Founders’ Day Banquet, and a week’s vacation at Lake Arrowhead at the end of the Spring semester.

Chi Theta, founded in 1929, has long been outstanding on campus for its activities both within the group and in State College affairs. Chi Theta traditions include a joint benefit party for underprivileged children at Christmas time, with Kappa Sigma Fraternity; a Christmas and Spring Formal (closed bid dance); and the yearly Shen Yo-Chi Theta Breakfast. Founders' Day is celebrated every September; and each semester the active and alumni hold a loanout to raise money for a scholarship which is presented to a worthy member. Each semester a benefit of some sort is sponsored by the girls as their contribution to charity.

Gamma Phi Beta International Sorority came to the State College campus with the pledging of Kappa Theta, local sorority, in May, 1949. Gamma Phi Beta’s are well known for their annual open bid dance, Winter Waltz. The group also gives a closed bid Spring dinner dance. Gamma Phi Beta’s also gave State its indescribable note rack. One of the outstanding philanthropies of the group is its donation of campships to needy girls. Gamma Phi Beta was founded at Syracuse University in New York, November 11, 1874.

Striving for that which is honorable, beautiful, and highest, the members of Kappa Delta included among their activities the traditional Christmas Formal and Founders’ Day Banquet, the presentation of Easter baskets to the children at the Convalescent Homes, monthly sorority dinners, and the most important event of the year, the annual Student Union Benefit Bridge.
Since August, 1949, Phi Sigma Nu has been known on campus as Pi Beta Phi; however, the traditional activities have never been changed.

The first honor captured under the name of Pi Phi was the award of second place for the best decorated float in the Homecoming Parade. This was followed by the annual Christmas Ball given in the Don Room of the E.E. Comer.

Throughout the year the chapter has been active in participating in Inter-Sorority sports, at the end winning third place. Not only has the Fraternity been active in sports, but their scholarship also ranks high. The first Panhellenic Scholarship cup was awarded to the chapter for having the most outstanding grade-point average.

To finish the spring semester Pi Phi took third place in Femmes Fatales, with an honorable mention for her poster, and recently Barbara Terry was crowned Pi Kappa Alpha Dama Girl.
Sigma Kappa was founded at Colby College, Waterville, Maine, in November, 1874 by five pioneer women students. In 1904, Sigma Kappa became a member of National Panhellenic Congress. The sorority colors adopted were lavender and maroon with the violet as the official flower. There are 54 active Chapters in the U.S. and Canada.

The local chapter was formerly Tau Zeta Rho, which was founded at S.D. State College in 1921. The chapter was initiated into Sigma Kappa in August of 1949.

Shen Yo, oldest State College sorority, presented their traditional Founders' Day dance, Hawaiian desert, spring formal dinner dance and found time enough to initiate a new annual affair, "Showboat," where was chosen "King Kotton." Mothers and Dads were each honored on their respective days and Sigma's Helpers received many useful toys collected by the girls. Shen Yo also boasts of a shiny gold cup won by their float in the Homecoming parade. A trip to the mountains closed the first semester of this year while the traditional beach house was enjoyed during spring vacation and first days of summer.

Alpha Delta Chi, a twenty-five-year-old national sorority for Christian women, came to San Diego State on December 14, 1946, forming the Delta chapter, first national sorority on the campus.

A few of Alpha Delta Chi’s purposes are to promote better scholastic standards, to have Christian fellowship and fun with each other, to strengthen the spiritual life and character so each girl will be active in Christian service and interested in leading others to more definite Christian living.

A few of the many activities and projects are filling boxes for the poor, writing letters to missionaries, and going to Anthony Home and hospitals as a delegation. Traditionally, each semester, financial help is given to some missionaries.

The highlights of some of Alpha Delta Chi’s activities this year are sponsoring a float in the Homecoming parade, having a booth at the W.R.A. carnival, giving an annual Christmas Wonderland banquet, and giving a spring tea for the faculty of State College.

The big event of the year was when the Delta chapter was hostess to Alpha Delta Chi’s annual National Convention held here in San Diego. At this time Alpha Delta Chi celebrated its twenty-fifth silver anniversary.

Another happy event was when the Epsilon pledge chapter at U.S.C. became a new initiated chapter of Alpha Delta Chi.

In the preceding pages we have attempted to show you a few of the functions sponsored by the sororities on our campus. Identification was left out because we were interested in showing the function of the sorority and not necessarily the people.
The Inter Fraternity Council is the coordinator of fraternal life at San Diego State College. During the year, the council sponsored the painting of the "S" after party at Del Monte Park, also along with the Pan Hellenic they sponsored the annual Greek Night.

In November, they sent their fall semester president Frank Hickey to Pullman, Washington, to the Western Regional Inter Fraternity Conference. This conference will be held in Tucson, Arizona, at the University of Arizona.

During the year, two national fraternities were accepted on the campus: Sigma Lambda going Tau Kappa Epsilon (TEKE) and Kappa Phi Sigma going Phi Kappa Tau. Also one new fraternity was placed on probationary status, it was Beta Tau colony of Zeta Beta Tau national fraternity.
Winner of the Grand Sweepstakes Trophy for its homecoming float, Delta Sigma Phi is recognized as an outstanding social fraternity. Among its several achievements, the Delta Sigs were the first at State to have a fraternity house, the winners of the L.C.C. bowling league, the Ugly Man Contest for the second successive year, and the promoters of a successful Christmas party for under-privileged children. The principal social events are "The Seller's Ball," "After Hours" and the Spring Formal.

The Epsilon Iota Chapter of Kappa Sigma entered the scene at State College, December 9, 1947. They incorporated the Hods, one of the school's oldest local fraternities. Outstanding in Inter-Fraternity athletics, winning their second championship in two years, they also rated third among the fraternities in scholarship. Bright spots on the school calendar are their annual Former's Frolic, Spring Formal, and New Year's Eve Dances.

With the return to the books in September Lambda Chi’s evidenced a “New Era” of spirit inspired by their new house. This spirit was “overflowing” at the traditional Pledge Honky-Tonk Dance in November.

With Spring, Lambda Chi’s thoughts turn to the Annual Cross and Crescent Ball. This year we joined our brothers from U.C.L.A., Santa Barbara and S.C. at the Beverly Wilshire Hotel in Los Angeles for the third annual Cross and Crescent Ball.

Highlighting the Christmas season was a party held in honor of the children at the Nazareth Home. The holiday festivities were climax with the annual Christmas Formal at the Imig Manor Hotel.

The local chapter was started as a colony on October 15, 1948. The first president, John McClure, organized the original fifteen members and they received recognition as a colony the following month. Rho Triton became an active chapter and received their charter on April 24, 1949. Since this time the chapter has increased their membership to thirty-five active members and ten pledges.

Traditionally they hold a Christmas formal dance, a New Year's Eve and a Moonlight Girl Ball which is an annual affair with all chapters of the national. The members handled the task of mailing 75,000 letters for the American Cancer Society in their 1950 campaign. In preparation for this feat, the boys staged quite a few impromptu parties to "bolster" their spirits.
Formed in 1927, the Omega Xi's have carried out the tradition of drawing the nucleus of their members from the campus sports world. They can also be proud of the fact that they won the scholarship trophy three times in the last four years, and the three brothers who made up 75% of the nominations from State College for the "Who's Who in American Colleges" last year. Annual social events consist of a closed bid Christmas Formal, and an open bid dance just before finals.
Delta Kappa Chapter of Pi Kappa Alpha was formed in November, 1948, when Delta Pi Beta went national. Pi Kappa Alpha dates back to March 1, 1868, when it was established at the University of Virginia.

Notable events of the chapter were the twentieth annual Turkey Trot and the second annual Garter and Gold Ball, also a spring dance at which members select the chapter "Dream Girl" of Pi KA.

It should be mentioned without fail that this semester the chapter moved into a house located at 7811 La Mesa Blvd. Since acquiring, the men of Pi KA have spent most of their time getting the house into A-1 shape.

On May 20, 1950, a new name was added to the national fraternities on the campus. Tau Kappa Epsilon installed the local fraternity Sigma Lambda, founded on June 5, 1927, as its 88th chapter. Sigma Lambda is now known as Gamma Lambda chapter of Tau Kappa Epsilon (TEKE). During the fall semester Sigma Lambda had its usual Lamboggi dance. Members also held an annual Christmas party at the Children's Convalescent Home at which time gifts are distributed and the children are entertained.
Beta Tau Fraternity was founded in May of 1949 as a social club of college men. It was officially recognized on campus in April of this year, and has become affiliated with Zeta Beta Tau national fraternity as a colony of this organization. Beta Tau is the fifteenth fraternity on the State College campus.

The Sig Eps constitute one of the most active fraternities in the Aztec fold. Sigma Phi Epsilon maintains a reputation for social ingenuity by annually presenting the only Hawaiian luau in this part of the mainland. All fraternities and sororities are invited to an Island feast, prepared exclusively by members of Sigma Phi Epsilon, who more conventionally sponsor the Sing Sing Swing, an after-game dance.

In the preceding seven pages we have tried to give you a glimpse into the functions and activities sponsored by the fraternities of San Diego State College. Due to the limited space available we could not use any captions or identification for individuals. The reason for this is, we were showing the activities of the fraternities, rather than the members.
ANNE SERATTI, Co-organization Editor—As co-organization editor, Anne worked the spring semester finishing the groups, writing histories and identifying the pictures. In addition to these duties, she was always willing to work on something else and put in many extra hours doing odd jobs.

CELIA ZAHALSKY, Co-organization Editor—As co-organization editor, Celia worked the fall semester lining up campus organizations, identifying them and laying out the pages.

EUGENIA JONES, Drama and Music Editor—In charge of the drama and music pages, Eugenia wrote the copy, planned the pages and identified the pictures. Typing, proofreading and pasting were also some of her duties.
The national publication—Who's Who Among Students in American Universities and Colleges—is designed to bring recognition to student leaders and to the colleges they represent. Candidates are selected on each campus by local selection committees. At the San Diego State College a student-faculty committee, appointed by the Student Council, submits nominations to the Council on the basis of leadership, citizenship, participation in extra-curricular activities, satisfactory scholarship, and promise of future usefulness to business and society. Appropriate certificates are awarded to all students honored by selection.
Cap and Gown, senior women's honor society, taps a chosen few co-eds. Each woman is considered, not only for her contributions to college life and high scholastic achievement, but for ideals and personal goals maintained above and beyond the needs of her daily life.

Members of the '49-'50 class met with sponsors Marie Herney, prominent local lawyer, and Mary Mendenhall, dean of women, for weekly Thursday night symposiums. Dinner and a free interchange of ideas broadened their thinking and their waistlines!

Cop and Gown worked with:
- the faculty committee on student ethics;
- Blue Key on topics for discussion at President's Dinners;
- AWS on increasing feminine participation in student and civic elections;
- Cop and Gown alumni for strengthening the bond of friendship between past and present Cop and Gowners.

Agreed on the enriching effect of their new friendships, '49-'50 Cap and Gown members continued meeting throughout the summer and planned reunions for future years.

Blue Key, National honor fraternity, composed of campus leaders in all fields. Purpose: To foster friendship and cordial relations among all student groups, organized and non-organized, and between students and faculty and to promote qualities of leadership among its members and among students as a whole.

Basis for selection: Leadership, scholarship, character, and a record of service to both administration and student body.

Members are tapped at the Blue Book Ball in the fall semester and at the Dad's Day Dinner in the spring. Members sponsor "Lost and Found" and hold auctions to provide for annual scholarships.

Xolotl

Xolotl, strictly a service organization made up of upper division students, has been on campus nine years. It is the student council service which helps the incoming freshmen see is way through the registration tape, make out his program, and acquaint him with college activities. Last fall Xolotl helped the Freshman Class organize a summer orientation camp for the incoming freshmen, which may well be an annual affair.

Aztec spelled backwards, Cetza is State's sophomore and junior women's honorary service activity organization. Cetza orientate freshmen women, serve refreshments after lighting of the "S," and help with the operation of confrictricks. They presented Hello Walk to State and once a year celebrate its fond tradition.

The local chapter of the Baptist Student Union, a world-wide Southern Baptist Student movement was organized in 1948. Its purpose is to furnish a link between State College students and the local Southern Baptist churches. The motto, "It's collegiate to be Christian," is emphasized in weekly devotional and business meetings.
The Deseret Club is composed of members of the Church of Jesus Christ of the Latter Day Saints. Their aim is to further interest in the Mormon Church and to promote fellowship among the club members through various social functions.

The Wesley Club was organized by the present Faculty Counselor, Dr. John Paul Stone, in 1935. Its purpose is "to develop personal religious life, to promote Christian fellowship on campus, and to build a Christian world fellowship."

The Newman Club fosters the spiritual, intellec-
tual, and social interest of the Catholic students on State's campus. With 60 active members, it is an active org. They have a Get-Acquainted party at the beginning of each semester, and initiate new members twice a year. In December they assisted other Catholic Clubs in San Diego in giving the children at the Nazareth Home a Christmas Party. In April they presented a one-act plays under the name of "Farrago Fifty." The spring activities ended with their traditional May dance.
The B'nai B'rith Hillel Councilorship at S. D. S. C. was founded in September, 1947. Its main objectives are to impart to Jewish students an understanding and appreciation of their religious and cultural heritage, and to develop means and procedures for integrating the values of the Jewish traditions with the American way of life, and to maintain harmonious relationships with all other religious and ethnic groups on the campus through participation in interfaith and intercultural activities.

The movement which eventually resulted in the formation of the Aescalapians began in 1930. Pre-Medical students began meeting informally to discuss problems of mutual interest. In December of 1942 the group was formally organized as the Aescalapians. They hold bi-monthly meetings at which a member of the medical or dental profession gives a lecture and holds a discussion period, movies pertaining to medicine or dentistry are shown.
The San Diego CSTA Chapter meets four times a month, with a professional growth meeting, a business meeting, a social meeting, and an international relations meeting each month. In the last semester we have had such distinguished speakers as Dr. Arthur Core, executive secretary of the California Teachers; John Eklund, national president of the American Federation of Teachers; four high school principals; Dr. Walter Heper, President, State College; Miss Mary Ball, Assistant Executive of California Teachers Association. The social meetings which were greeted with much enthusiasm were square dance-concert square dance-canasta evenings; with entertainment provided by Harry McKee's committee and refreshments by Suzanne MacRiben's committee. The international relations committee. Elton Meyer, chairman, had presented several programs, one of foreign students on campus and the other presenting Dr. J. A. Apple and Mr. Minae Gokl eating speaking on "Is Peace Through World Education Possible?"

During the first semester the CSTA sponsored a radio program for "American Education Week" which featured Dr. J. A. Apple and Dr. William H. Lucio and two foreign students, Miriam Menacho and Geoffrey Storomson and Gene Schniepp, State CSTA president. The big project for the second semester was the initiation and coordination of the all campus book drive. The San Diego Chapter of CSTA has had the honor of selecting the State president and the thirty CSTA chapters in California. Gene Schniepp has been the very capable president and has presided over the two executive council meetings in December at Los Angeles and in April at San Francisco. The local chapter sent representatives to both of these conferences. The San Diego State Chapter is the fourth largest CSTA chapter in California, with two hundred sixty-five members.

Delta Phi Upsilon is a national honorary fraternity for early childhood education. Membership is based on interest, scholastic ability, and personality. Founded on San Diego State College campus on January 9, 1943.
International Relations Club

The International Relations Club was founded in 1935 as an autonomous organization associated with the American Association of International Relations to study and understand international relations through discussion and participation of students. This club cooperates with all college and city organizations on international activities and conducts an annual High School Conference on this subject for the purpose of encouraging high school students' interest.

Mu Phi Alpha

An honorary music fraternity, Mu Phi Alpha promotes interest in American music and gives an annual All-American Concert featuring the works of contemporary composers. Its membership includes some of the finest young musicians in San Diego. A very active group, this fraternity participates in many music activities and holds joint public recitals with Sigma Alpha Iota, the women's honorary music fraternity.
The History Club was founded through the efforts of a few students in cooperation with faculty members of the History Department. The club was formed first and then an application was made to the national history fraternity, Phi Alpha Theta, for a charter. In the past year the History Club has sponsored many historical activities and made a gift to the library.

The History Club

Alpha Phi Alpha

The Philosophy Club was organized in 1949 for the purpose of providing interesting speakers, movies, and demonstrations for students interested in Psychology. At the present time, arrangements are being made for affiliation with Phi Chi, National Honorary Psychology Organization.

Phi Sigma Xi

Phi Sigma Xi members, drawn from the field of life sciences make field trips to surrounding areas in search of local fauna, and enlarge their scopes with a fall trek to lower California, and a Spring Junket to the Borrego Desert.

Radio Guild

The Radio Guild was organized in March 1949 to give experience to those interested in radio. They have presented 20 weeks of regular Aztec preview shows over KGB. Until August, they are presenting stage shows of health series for the Psychology Department.
**Sigma Omicron**

Sigma Omicron, women's honorary chemistry society, was founded in 1937. Activities are the semiannual Beaker Tea, held to acquaint women chemistry students with the organization, an annual Founder's Day Dinner, Mother's Day Tea, and Christmas Tea. Members go on field trips and take part in lecture programs.

---

**Social Service Club**

This club was organized for students of Sociology and related fields and to all students interested in the Social work field. Activities this year have been field trips to the Anthony Home, Mt. Woodson, and Social Work Agencies. They have heard guest speakers from the Dept. of Welfare.

**Pi Kappa Delta**

The California Eta Chapter of Pi Kappa Delta, national honorary speech fraternity, was organized on this campus March 31, 1949. Of the several national speech fraternities Pi Kappa Delta is by far the largest. Its purpose is to promote interest in public speaking including debate, oratory, and discussion. One of the major activities of the local chapter is cooperating in the sponsorship of the annual San Diego County High School Speech Tournament.

Delta Kappa is one of the oldest organizations on the campus. This club was founded as the College Kem Klub in 1922 at the old Normal School. It has been affiliated with Delta Lambda, physical science fraternity in teachers colleges, since 1925.
Sigma Alpha Iota, International Professional Music Fraternity, is well represented on this campus by the Iota Delta Chapter. Its activities have been many such as: Joint recitals with Mu Phi Alpha; California State Day held at U.C.L.A.; Vesper services at St. Dunsian's; Installation of a very active mothers' club; Memorial concert featuring the works of the San Diego composer, Madalyn Akers Phillips; a successful drive for music to be sent to Korea for rehabilitation purposes; Welcome Tea for new women students; a visit from the National president, Kathleen Davison and Province president, Thelma Muck; Mother's Day Tea, and the highlight of the year, a good representation at the National Triennial Convention held at the Drake Hotel, Chicago, Illinois.

Membership in this fraternity depends on musicianship, scholarship and personality. Individual members have distinguished themselves as excellent vocalists and instrumentalists and there is no doubt that you will hear of their greater successes in the future.
Theatre. Membership is limited and singers are chosen by competitive try-outs. One of the most popular vocal groups on campus and known for their personality and charming manner, the sextette is in great demand for appearances.

Choral Club
A fine group of mixed voices, the Choral Club specializes in religious music and folk songs. The Choral Club has a busy singing schedule appearing at various churches and civic groups. They appear annually for the Christmas program given in the Little churches and civic groups. They schedule appearing at various civic organizations and clubs. The Choral Club was featured at El Centro and won praise and acclaim for their performance. May 23, they were featured at Ford Bowl with the San Diego American Legion Police Band. With the women's Choral Club, they participated in the Inter-Collegiate Glee Club Festival at Pepperdine.

Consisting of 20 carefully chosen voices from the Choral Club, the Choralairs is a group of well-blended musical talent. Their extensive repertoire ranges from Madrigals to modern popular. Under the direction of Deane Smith, they have performed for churches, clubs and civic organizations as well as on campus, and their popularity as a performing group is evident in their number of appearances.
The band, one of the outstanding ones we've had, is under the direction of Mr. Myron Collins. This year it performed for commencement and was very active during the football season. On Founder's Day, May 6, the band gave a concert in the Greek Open Theater, featuring music from the operetta, Porgy and Bess. The Majorette Corps and Flag Twirlers should be given recognition for their work with the band and all three should be congratulated for their successful appearances.

Under the capable direction of the ever busy Mr. Julius Leib, the orchestra has had a very successful season. Working with the opera interpretation class, the orchestra has presented some very delightful concerts such as the May 25th concert presented in the Little Theatre featuring an outstanding program, the folk opera "Down in the Valley" by Kurt Weill, and excerpts from operatic and symphonic favorites.

These smiling students are members of the honorary dramatic organization, Skull and Dagger. Through hard work in three fields of drama: acting, leadership, and production, they have earned recognition for their efforts. Chosen from the Theatre Guild, students are tapped each semester in honor of their achievements in the dramatic field.

The Theatre Guild is responsible for the sponsoring and publicizing of all productions on campus, including plays, such outstanding ones as Noah, Elizabeth the Queen and Holiday. Also sponsors the One Act Play Tourna-
ments. All students in the Speech and Drama Department automatically belong to this organization but two students from each class are elected to represent their class at the bi-monthly meetings.

WRA activities started with a bang and all members of the board, not to mention the student body, were kept hopping until the semester ended. Now let’s look back over the year and recall a few of these tremendous happenings. The Carnival was a little slow in getting started because it seemed as though Coach Ziglar’s basketballers couldn’t quite distinguish between the basketball rings and the openings of the carnival booths, but finally basketball practice ended and the orgs crowded the gym floor with their booths, Congrats to those orgs who made their millions that night.

Of course the WRA Square Dance, under the leadership of Margie Land and Winnie Golder, could never be forgotten and perhaps some of you are already thawed out. Despite below zero temperature, hearts were made warm in the big barn in Mission Valley to the music of Clem Clemenhooker and his dude ranch duds! We are all probably still seeing green. Why? Because of the Shamrock Shuffle of course. A success of course, but what wise guy put the thun on the King’s throne?

How can the WRA Board forget the fabulous fun it had at the breakfast table at their annual WRA Breakfast? Weren’t the tuna on waffles good? Speaking seriously now, the WRA has planned, organized, and officiated most of the women’s sports on campus. Lots of work was expended but so much enjoyment was obtained watching the org women compete in inter-sorority sports all year to be rewarded with a beautiful cup, not to mention the prestige. The non-org plus org women competed in much the same manner under the heading of intramural sports.

Even the WRA has play-time which during the year came under the heading of College and High School Play Day. On College Play Day, of which Mary Ellen Curry and Doris White were student sponsors, many colleges and universities congregated at SDSU for a day of sports, conferences, lunch, and fun. The High School Play Day was held in much the same manner except that high schools all over San Diego were represented. The WRA Mountain Party can never be forgotten because that is the weekend when all the gals on campus head for the mountains full of pep and return full of fun, food, and poison ivy (if they’re lucky).

It’s plain to see that the WRA keeps the ball rolling all year, and year after year, with many fun-filled activities.

SLIPPING AROUND. Chuck Daniels slips around three Waves in the Pepperdine game at Inglewood.

INGLEWOOD, Oct. 1—The Aztecs were off to a winning start, although they had a few uneasy moments before downing Pepperdine College, 9-7, on Inglewood High’s Sentinel Field under the lights.

Sophomore Halfback Art Preston supplied the fireworks which powered the Montezumans to the triumph. After a scoreless first half the San Diegans broke into the scoring column late in the third period. Preston took a bounding punt on his own 12 yard line and, with the help of a key block administered by Tackle Tom Dahms, scampered 88 yards for the TD. Tackle Bill Davis added the extra point.

Early in the fourth quarter Wave Quarterback Ed Hyduke was nailed in his own end zone for a safety and it appeared the Aztecs had the game clinched with a 9-0 lead. But midway through the final stanza the Waves recovered a fumble at midfield and, taking to the air, drove to the goal line, scoring on a toss from Hyduke to...

Heading the Staters’ rugged line play was Center George Coleman. Score by quarters:

SAN DIEGO       0 0 7 2-9
Pepperdine      0 0 0 7-7
HIT BUT NOT STOPPED. Halfback Jim Simmons is hit by a Pomona Sagehen, but still went across for the touchdown. Aztec at right is Tackle Bill Davis.

San Diego, Oct. 8—Coach Bill Schutte’s boys made their home debut a winning one as they dumped Pomona College, 33-13, in a sparkling display of balanced offensive power. An opening night crowd of 8000 sat in the fairwinds at Aztec Bowl.

After a see-saw first period, the Aztecs got up a full head of steam in the second quarter and pushed across three quick scores to hold a comfortable 20-7 bulge at halftime. They added single scores in the third and fourth stanzas, while the Sagehens scored their second touchdown in the last quarter.

Big Jim Simmons, Sophomore halfback, showed his first flashes of form as he set up the Infield score with a 67-yard jaunt off right tackle. The States piled up 275 yards rushing and put other 129 through the air for a healthy 404 yard total. Quarterback Jesse Thompson, named Player of the Week by the Breitbard Athletic Foundation, got his accurate left arm into action and pitched strikes all over the field to lead the Aztec passing parade.

Guard Jim Erkenbeck, another Sophomore star, played an alert game, grabbing two Sagehen fumbles and intercepting one enemy pass. Halfback Bob Tamlinson, recovering from a broken finger, got into the game with a royal innovation. He wore a silver-pointed boxing glove to protect his injured digit—and he intercepted a pass late in the game. Score by quarters:

This Way, Men. Halfback Dick Adair wheels around end against the New Mexico Aggies. Aztecs won, 38-18.

San Diego, Oct. 15—Three in a row! That’s what the Aztecs had as they bounced a rough band of farmers from New Mexico A&M, 39-18, in an Aztec Bowl fracas viewed by more than 8000 grid followers.

Under the capable direction of Field General Sam McGowan, the nation’s No. 1 pass singer, the Aggies grabbed a 6-0 lead in the first quarter, but wilted before the superior Montezuma attack.

Aztec Quarterback Lain Parma was inserted in the second quarter and immediately engineered his mates to a touchdown. Bill Davis’ conversion put the home town boys ahead, 7-6, at halftime.

The second half turned into a rout (virtually a free-for-all) as the Aztecs scored three times in the third quarter and twice more before the final gun.

Score by quarters:

OOPS, GOING DOWN. Halfback Murry Callan is spilled by COP Tiger after one of few Aztec gains on the ground. No. 62 is Keith Dawson.

STOCKTON, Oct. 22--College of Pacific burst the Aztecs' undefeated bubble under the Baxter Stadium lights, and burst it in high-flying style, 62-14.

The bounding Bengals rolled up 500 yards in grinding out their nine touchdowns—three in the first quarter, two in the second, three in the third and one in the fourth. But losing to C.O.P. was no disgrace. The Tigers went on to enjoy an undefeated season under their brilliant quarterback, Eddie Laughery, and they were ranked among the very top teams in the nation in the final Associated Press weekly poll.

Actually the Aztecs played capable ball, but they were simply no match for the explosive Bengals who have a habit of ripping touchdown runs of 40 and 50 yards at the drop of a hat. Tom Dahms, the Aztecs' Little All-CCAA tackle was the outstanding player on the field. His brilliant play prompted C.O.P. Line Coach Emie Loug to comment that he hoped the Tigers never met a team with two men like Tom Dahms!

State’s Scoring Power had the Aztecs running, or vice versa. Tommy Tiger of COP tries to impress Aztec baton twirler Darlene Loughery.

BROTT SLATER

FRED BATES

END OF THE LION. Loyola back goes down after a short gain in the Shrine Charity game at Balboa Stadium.

SAN DIEGO, Oct. 29--Finding it hard to get back to winning ways, the Aztecs bowed in the 12th Annual Shrine game, 34-20, to the Loyola Lions. The charity classic drew 18,000 fans to Balboa Stadium.

Off to their usual slow start, the Aztecs saw the Lions build up a 20-0 halftime lead and then decided to get into the game. But it was too late and their 20-point second-half outburst fell short as the Lions added a pair of scores of their own.

Bigger loss than the game itself was the loss of Center George Coleman. The rugged co-captain and standout lineman suffered a broken shoulder bone in the first play of the game. John Perkins took over the center job and did a praiseworthy job.

Lloyd Cassady, a pillar of strength on defense throughout the rough contest, was named Player of the Week for his fine work. Bud Milke, another end, had a busy night in the pass catching department, using his 6’5” frame to good advantage in making several spectacular catches.

It was like two different ball clubs on the field in comparing the Aztecs of the first half and the Aztecs of the second half. They came out of intermission and rolled to a score in just three minutes. Score by quarters:

SAN DIEGO -- 7 7 7 13
LOYOLA -- 13 7 7 20

NO GAIN. Lloyd Cassady, with nose buried in turf, has just stopped Loyola’s Jock Dwyer and Red Herrill closing in to help.
THROW IT INTO HIGH. Quarterback Jess Thompson decides to run one against Fresno State. Lloyd Harris and Tom Aney are after him.

FRESNO, Nov. 5—Off to a flying start in the 1949 CCAA championship race, the Aztecs handed Fresno State an 18-7 lancing at Ratcliffe Stadium before 7500 forlorn Raisin City fans.

Wasting no time denting the scoreboard, the invading Montezumans scored in three plays. Halfback Chuck Daniels took the opening kick-off and rambled 70 yards to the Bulldog 24. The payoff came quickly as Leon Purma hit Jim Simmons with a touch-down pass.

A 63-yard jaunt by Bulldog Vince Palma and a successful conversion put the Fresnoans on top, 7-6, before the first quarter ended. But in the middle of the second stanza Purma took back near his own goal line and fired a long pass to End Lloyd Cassidy, who headed in the long throw on the Fresno 20. Cass countered across the goal untouched.

The Aztecs kept battering away in Bulldog territory but couldn't get the ball across. In the last period Fresno generated a drive that appeared to be headed for a TD—and a score might have meant the ball game for Fresno. But Bob Tomlinson intercepted a pass thrown by Quarterback Tom Aney and threaded his way 75 yards through lunging Bulldogs for the clinching score.

SAN DIEGO, Nov. 12—Eager to atone for their weak showing against San Jose, the Aztec warriors mauled Cal Poly, 40-19, as a slim gathering of 5000 huddled together in Aztec Bowl.

A slashing ground game which rolled up 292 yards and a good passing attack which netted another 107 gave the States an easy triumph over a Mustang team which came to town with upset ideas in mind.

It didn't take the Montezumans long to give the crowd an idea of what was to come. The first time they handled the ball they ploughed 62 yards in 8 plays for the score, with Chuck Daniels, Ralph Freitag and Bob Tomlinson carrying the load. By halftime they had built up a comfortable 20-0 lead.

Many fans missed the thrill of the game. While most of them were still streaming back from the hot dog stands or adjusting their cushions, Art Preston took the second-half kick-off and raced 84 yards through Mustangs for an Aztec score. Poly halfback Don Sims returned the compliment later in the game by racing 74 yards through the Polynesian for a score. And Tackle Tom Daniels got into the scoring picture when he grabbed a juggled Poly hand-off and raced 13 yards to score. Score by quarters:

TROUBLE AHEAD? Art Preston looks worried as he starts around end against San Jose State. Al Fodor appears to be clipping in background.

SAN DIEGO, Nov. 19—Aztec hopes for a CCAA championship were trampled into the soggy Aztec Bowl turf as Son Jose State's Golden Raiders ran rough-shod over the Scarlet and Black, 40-0, before the saddened eyes of 8500 subdued fans.

Scoring in every quarter, the Spartans had no trouble pummeling Monty's men into hopeless submission. It was one of those games when no one could do anything right—for San Diego. Carrying the thing to extremes, the Aztecs found they had only nine men on the field at one time late in the game.

Interceptions by the alert Spartan secondary spelled doom for the Aztecs. Beginning in the early minutes of the game when Son Jose picked off a San Diego pass and scored in a few short plays, the rout was on. Little Archie Chagamon, Spartan halfback, was the chief culprit, stealing several aerials in the course of the evening.

One of the few bright lights of the Aztec cause was the return to action of Sophomore Fullback Ralph Freitas. The rugged line-backer played a rugged game, blocking and tackling sharply. End Ron Slater also displayed some aggressive actions in the midst of the general apathy.

Statistics on the game were slightly misleading. For example, the Aztecs had 14 first downs to 8 for the visitors. A Gaucho run in the waning minutes managed to get them out of minus yardage on the ground, but still they netted only 15 yards against the rugged Aztec line.

San Jose 0 0 0 30
San Diego 13 14 7 40

OUT OF BOUNDS. Dick Adair is forced out of bounds by a trio of San Jose Spartans.

SAN DIEGO, Nov. 24—The Aztecs closed out the 1950 football season with a convincing 22-0 win over a hapless and helpless Santa Barbara College eleven in Thanksgiving Day Homecoming festivities at Aztec Bowl. It was the only daylight game of the year.

The victory, State's sixth against three losses, was easier than the score would indicate. Pushing the Gauchos around with little trouble, Bill Schutte's boys rolled up a total of 416 yards (land and air) to 96 for the visitors. A Gaucho run in the waning minutes managed to get them out of minus yardage on the ground, but still they netted only 15 yards against the rugged Aztec line.

After a scoreless first quarter, which saw the Gauchos drive on Aztec drive on the one, the San Diegans scored in the early minutes of the second period. Leon Parma fired a long pass to Bud Milke on the goal line. After juggling the ball and finally taking it away from three Gauchos, Milke scored and Lyle Hufford's placement kick made it 7-0.

A 54-yard touchdown romp by Art Preston and another Hufford conversion early in the third period made it 14-0 and the Aztecs were on their way. In the fourth period Gauchos Halfback Ron Temmie found himself napped in the end zone by Aztec Fullback Ralph Freitas as soon as Simms bulled his way over for the score. Score by quarters:

Santa Barbara 0 0 0 8-22
San Diego 6 7 7 22

It's a Pass! Aztec aerial is intercepted for Bud Milke (41). Other Aztecs are Hugh Latham (63) and Jim Erkenbeck (50).

Coach George Ziegenfuss herded his charges through the best season State had enjoyed in four years as they racked up 14 wins against 10 losses in a tough schedule.

On their home floor the Aztecs were pretty hard to beat. They won 12 of the 16 games played in Aztec Gym. Losses were to a fired-up Alumni quintet, an aggressive Loyola University team, talented San Jose and the Peoria Diesels, powerful AAU. team.

Teams appearing on the Aztec cage schedule for the first time included the Peoria Diesels, Los Angeles State, Culver-Stockton College of Canton, Missouri, and AirPac.

Center Dick Barnes, who had his greatest of four seasons, led the team in virtually every phase of the scoring for the year. He scored 297 points in 24 games for an average of 12.38 points a game. He also had the best field goal record, hitting 41.61% of his shots from the floor.

Finding it hard to win on the road, the Aztecs still managed to finish third in the 1949-50 CCAA basketball campaign which was won by George Pepperdine College. The Waves were playing as a CCAA member for the first time.

Center Dick Barnes gained an All-CCAA first team berth for the second straight season, while Forward Bill Hutchison was named to the second team although he missed two games on the CCAA season. Gaining Honorable Mention were Guards Rigo Rodriguez and Don Nuttall, and Bud Milke, who served double duty as a forward and center.

After getting off to a shaky start, the Aztecs threw the conference race wide open when they upset highly favored Pepperdine in the top game of the season at Aztec Gym. The Waves had led most of the game, but inspired play pulled it out of the fire for the Montezumans.

Coach George Ziegenfuss' boys really went wild in trouncing Fresno State in the final home appearance of the season. They plastered the Bulldogs, 84-65, to establish a new San Diego State College scoring record. The old mark was 74.

The conference and the season ended on a sour note as Pepperdine beat the Staters, 64-55, in an overtime game at Los Angeles. The Aztecs appeared to have the game cinched going into the infamous "two-minute rule," but obvious home town officiating handed it to the Waves.

It was a rough season for the San Diego State Frosh basketballers this season. They came up with only six wins in 19 starts.

The Papoose played many service clubs, freshmen and high school squads on their schedule, usually finding their short height at a disadvantage. But the season was not without its color and the yearlings came along showing considerable improvement in ball handling and shooting before the schedule was complete.

Leading performer for the Frosh was lanky Larry Blocker, who led the scorers from the pivot spot. Carl Benton handled the coaching assignment getting an assist from Don Smith, former basketball great for San Diego State.

Manager Warren Dukes had its ups and downs in '50, but came out of a rugged 35-game grind with a record of 20 wins against 14 losses and one tie game.

The mound staff was anchored by Port- island Bill Ruzich and Right-hander Dick Barnes. Ruzich finished his fourth varsity season with a .433 record and a good 2.87 earned run average. Barnes had a 5-4 mark and a 2.99 e.r.a. Both lost some heartbreakers. Barnes was signed by the Boston Red Sox organization immediately after the close of the season.

A remarkable feat of the mound staff was that of seven regular pitchers, the worst earned run average was 3.80 — not a bad record. Don Crickmore sported the top e.r.a. mark of 1.71.

The plate power was spearheaded by a veteran and a newcomer. Catcher Al Fodor won his second straight batting title with a lofty .368 average, and Sophomore Centerfielder Art Preston was not far behind at .355. Preston topped the club in runs batted in, runs scored and stolen bases.

After piling up a lot of wins in the early-season, the Staters hit rough going in the first CCAA Southern Division games. But they came back to finish in second place behind Santo Sarbora.

One of the high points of the season was a well-pitched 3-2 win over the University of Arizona. When Dick Barnes handcuffed the Wildcats that day it was their lowest output of the year, and one of only two losses in an entire 30-game schedule.

Coach Fred Kasch’s Freshman baseball team, despite a variety of hardships, had a successful season, turning in an 8-5 record against the best of the prep teams of the San Diego area.

With good pitching, strong hitting and a good defensive infield, Kasch had a well-balanced team. Ace hitters were Larry Blocker (.412) and Tony Roe (.333). Roe doubled as an outfielder and clouted a healthy .420.

But a “miser” .420 was not enough to win the team batting title. Catcher Jim Rinehart walloped the ball at a .474 clip to win that honor, and Infielder Jim Richardson was second at .424. The team as a whole hit .304 for their 13-game season.

Highlights of final Fresh statistics:
It was a big year for the San Diego State College trackmen—probably one of the greatest years in the college's history. Coach Chic Sportman's Cinderella established five new college records, won five dual meets, placed two athletes, Pole Vaulter Bobby Smith and High Jumper Jack Razzeto, as the nation's best in their respective events. Among the relay team accomplishments were victories in the mile relay at the Long Beach Relays and Southwest A.A.U. Championships and a third in the tough Texas Relays. A 440-yard relay contingent grabbed first place honors at the Long Beach Relays.

Razzeto and Smith placed the Aztecs high on the national standard. Razzeto cleared the high jump bar at 6 feet 8 1/4 inches to tie for the best leap in the nation for the last two years. Smith vaulted to a three-way tie at 14 feet 5 inches, among the cream of the crop of present-day vaulters. Both of these marks, of course, were new college records.

Bobby Schunemann, ace half-miler, broke his own record when he traveled the 330 yard dash in 35.4, breaking a mark that had stood since 1932. The other record smasher was the mile relay crew of Bob Mahon, Ken Beck, Bill Ellis, Lloyd Schunemann who ran the distance in 3:20.2 to break the ten-year-old mark.

Distance runner, Senior Steve Beason, is probably deserving of a great deal of praise. Beason was the only winner in the conference finals, running the 2-mile in 9:34.6. In his three years of competition Steve has lowered his mark by more than a full minute, which is quite an accomplishment.

Other seniors who were impressive this year and will be greatly missed are: Versatile Kenny Beck, distance runner, senior Steve Beason, is probably deserving of a great deal of praise. Beason was the only winner in the conference finals, running the 2-mile in 9:34.6. SALLIE LINCOLN, Reminiscently Yours Editor—As editor of this new section, Sallie wrote all of the captions, laid out the pages, scheduled the activities to be photographed, and pasted pictures on the pages. Many pictures were omitted due to the lack of pages and not wanting to crowd the other pictures into smaller sizes.

NANCY DEEWALL, General Layout—Nancy gave many hours of her time helping with copy, layout, pasting and gathering information without getting credit for her work.

JEAN CORTER, General Layout—Some of the duties performed by Jean were: running down information for the organizations, posting pictures, typing senior information blanks and anything else we could think of for her to do.

DO YOU REMEMBER THAT——
In this concluding section of the book, we have tried to put as many of the important happenings on our campus during this year as is possible. We had to leave out things which you might have thought to be more important, but in trying to cover everything, we would need many more pages in this book. These things should remind you in the future of the many days, some happy, some sad, during the year 1950. To me, this is the most important section in this book. I have thoroughly enjoyed every minute of the planning and work done on this section. The things pictured here are the ones I hope you will share with me in my fond remembrances of my days as a student at San Diego State College.

Some folks think there's no end to the number and variety of Carroll's engraving service.

**FACT IS -- there's lots more than just "cuts" to photo engraving service -- especially Carroll's. There's...**

**SPEEDY SCOOTER SERVICE - So there's no delay in picking up your copy and delivering it by final results, at an unbelievably low cost -- simply put the piece you want cut in the photo, printer, newspaper, or wherever you order...**

**FREE PARKING - to make it easy and economical for you to place your order and explain your needs...**

**SPECIAL COPPER DEPARTMENT - to guarantee you maximum quality on long-lasting, brilliant-printing, making copper engraving easy...**

**NEW EQUIPMENT AND PROCESSES -- constantly added, to meet your needs...**

**EXPERT, EXPERIENCED CRAFTSMEN -- who know what you want...**

**EXTRAS -- like art service when you need it, mats and electroplates ordered with your cuts...**

**CARROLL-COLOR -- the newest, most amazing full-color process, at an unbelievably low cost -- rather "first for Carroll"...**

**PLUS helpful, personal service that's dependable...**

It's good to see Beverly Lake from the sister members of Walker's Athletic Campus Council for Bev's off to the New York University, School of Retailing, for a year of graduate study and work -- added onto her four-year time at the Hi-Debber Council. Walker's next year, since she'll be coming home to join the Fifth Avenue at Broadway staff that aims to please collegiates. Well-wishers will find her places on campus next year, for Bev's off to the Campus Council, for Bev's off to the Hi-Debber Council. Send us a postcard sometime, Bev!

Another All-American
The Del Sudoeste, 1950, is your book. It is dedicated to you, planned for your enjoyment, and memory. On this last page I would like to briefly review the book and explain a few things to help you further understand the feeling for you in this annual.

To begin with, the cover showing our campus from the air is the first picture ever to appear on a Del Sudoeste cover. The colors on the cover are as near to our school colors as we could purchase. The dedication, novel as it may be, is in keeping with the unwritten theme, "Our School." The annual staff is given more space, and rightly so, for their ideas and work are reflected in the pages following their pictures. The faculty is larger than ever before and required more space. I tried to get a picture of each department individually. The last page of faculty ran into the other pages of the book and is not the best layout form, but the best we could do.

The senior sections are the largest ever to be put into a Del Sudoeste. Six hundred and sixty-four pictures and over 200 names forced the crowding of 20 pictures to a page. This section is 38 pages long. Some pictures have only the names under them, because the students didn't turn in an information blank, and I didn't feel that it was the duty of the staff to look up this information if the student didn't have interest enough to see to it himself.

The fraternities and sororities have more space than ever before, and more of their activities are pictured. I want to thank each organization for their splendid cooperation and support of this book. The service, religious and departmental organizations are almost 100%, represented.

The sports section this year is the most complete one ever to be put into a Del Sudoeste. The sports staff did a very good job and covered as many activities as space would allow. Individual recognition is given whenever space was available.

The final section, "Reminiscently Yours," is my addition to the yearbook. I will remember these events of 1949, 1950 and hope you will enjoy them in the years to come.

There is no definite form to this book and everything is as original as I could make it. Editing this book has been my finest experience at S.D.S.C. I personally dedicate this book to my wife for her help in editing the Del Sudoeste.
