OVER SIX THOUSANDerson gather daily on
the campus of San Diego State College. The
Del Sudeste of 1956 is organized around the
names, faces, and activities of these people,
and the dedication is to them.
The Alumni Association of San Diego State College has a three-fold purpose: (1) to further the community interest of the College; (2) to establish mutually beneficial relations between the College and its Alumni; and (3) to promote and establish friendly comradeship among members of the Association.

For the second consecutive year a San Diego State College player was named to the National Intercollegiate All-American football team.

Jay Gutowski, completing his third season of varsity football at State, was picked on the mythical all-star squad for his standout performance at both guard and fullback on offense and as a linebacker on defense. Gutowski, a 5-8, 185 pound senior, has one year of eligibility remaining.

Otherwise, it wasn't too happy a year for coach Bill Shute and his men. The team completed its season with a 2-8, won-lost record, poorest showing since 1942 when an Aztec team was winless in six games.
The Aztecs try for that all-important yardage.

An indication of things to come was brought to light in the first game of the season when San Diego traveled to Pepperdine College only to receive a 21-0 loss. A strong Pepperdine line kept the Aztecs from generating an offense all night while giving its own backs plenty of time to pick up yardage. Opening its home season in the newly-lighted Aztec Bowl, San Diego played perhaps its best game of the season but still dropped a last-quarter 12-6 decision to Cal Poly. A heavily-favored Poly team was played off its feet for most of the game but San Diego did most of its gaining in the middle of the field. Quarterback Bill Richardson did a fine job for the Aztecs.
Pomona-Claremont hosted a visiting San Diego State team and piled up a 21-0 first quarter lead before the Staters came to life in the third game of the year. The Aztecs took over and scored three times themselves, but a final Pomona touchdown gave the home team a 28-20 triumph. Halfback Jimmy Pyles was a running threat for San Diego all afternoon, while quarterback Don Agee’s passing brought the Aztecs a win.

End John Early sidesteps a Pomona-Claremont defender after catching a pass.

Fullback Hugh Simpson fights for yardage against Temple defenders.

Returning home for a Shrine Game battle with Arizona State Tempe in Balboa Stadium, San Diego couldn’t cope with the bigger and faster Sun Devils and lost a 46-0 contest before 17,000 fans. Four runs of more than 50 yards produced four touchdowns for Arizona State while San Diego threatened once in the second quarter. Still seeking their first win of the year, the Aztecs hosted San Diego Naval Training Center in Aztec Bowl and on the strength of two conversions by end Bernie Fioherty, edged the sailors 12-14. Both teams flashed some fancy plays but a stronger San Diego line gave the win to the collegians.

Homecoming saw a slightly favored San Francisco State team visit Aztec Bowl and for the second straight week end Fioherty’s right foot gave San Diego a win, this time by a 7-6 count. San Francisco couldn’t move too well once it got past midfield but kept the Aztecs busy with its punts and end runs. With two straight wins under its belt, San Diego State took to the road once again, traveling to meet a Fresno State team that was rated the strongest small college team on the West Coast. The Bulldogs scored on the opening play of the game but after that they fought for the rest of the game as the Aztecs played a fine game despite losing 20-6. New Mexico A&M proved to be just as poor a host, as San Diego couldn’t stop the Aggies’ speedy backs, and dropped a 26-6 game. Al Gonzales played his best game at end but New Mexico stopped everyone else to hand the Aztecs their sixth loss. Back home in Aztec Bowl found San Diego receiving for its third shutout of the season as a strong Marine Corps Recruit Depot squad handed out a 32-0 defeat. A thick fog settled over the field at the start of the second half to put a damper on any passing the Staters might have done to try to catch the leathernecks.

Coach Smith and Schulte, with the Byron Chow Memorial Trophy for outstanding lineman. Jay Dehaval was this year’s recipient.
Playing at Whittier in the final game of the year, Coach Schutte's charges fell behind early in the game and never caught a Poet squad which played a near-perfect game in posting a 28-6 win. Fullback Doug Harvey went over the goal late in the game for San Diego's only touchdown of the game and only its 10th touchdown in 10 games.

Halfback Dick Reid punts out of the end zone against Fresno.

Where's the ball?

Ace tackle Bob Newton was injured in the Pomona game and was of little use to his team after that. Senior halfback Horshall Abasini, a California Collegiate first team pick last season, was also hurt and was forced to drop from the squad late in the year. Halfback Claude Lewis and quarterback Bill Richards, tackles Bob Linares and Jim Whelan and others too numerous to mention were slowed up part or most of the year.

This time Mitchell is stopped behind a defensive line by Bruston Watkins.

Panorama jumps to an early lead and the Aztec bench watches in dismay.

Halfback Gene Mitcham off on a long touchdown run for Arizona State Tempe in Shrine Game action. Aztecs in pursuit are Jay Gutowski, John Early, Dick Runyon.

*NAIA Playoff Games
Free throw percentage (.715), field goals attempted a game, one season (66.7), free throws attempted, one season (850), and consecutive victories (13). The won-lost percentage of .793 was a record for San Diego teams which have played 20 or more games in a season.
Individual records were set by forward Tony Penkins, 187 field goals in a season, center Noel Mickelsen, 107 consecutive games played in a varsity career, 95 consecutive games started and 91 fouls in a season, and forward Danny Newport, 27 consecutive free throws.

Six members of the team are seniors and have completed their eligibility. Included in that number are four of the five top scorers on the team. Forwards Newport, 6-1, and Jim Sams, 6-0, center Mickelsen, 6-6, and guards Don Hegerle, 6-0, John Hannan, 6-0, and Ray Woodmansee, 5-10, are all seniors and will be graduated in June.

San Diego started its season slowly, losing its first three games to Arizona Tempe, University of Arizona and Loyola University. It was after the Loyola game that the Aztecs came back fighting to show their fans the type of winning ball that could be played. The team won 13 straight games, setting a school record, and practically clinching a berth in the NAIA playoffs.

In succession, they defeated Pasadena Nazarene, Whittier, Chico State, Pepperdine, San Jose State, Arizona Tempe, the Alumni, Los Angeles State, Marine Corps Recruit Depot, Cal Poly, University of Redlands, Loyola and Fresno State. It was on the second night of a two-game visit to Fresno that the bubble burst, with the Bulldogs taking an 88-86 overtime win.

Eligible to return next season are forwards Tony Pinkins, 6-3, Al Nordquist, 6-4, and Braxton Pinkins, 6-2, center Rich Gehring, 6-5, and guard Archie Rambeau, 6-1. In addition, guard Bob Adams, 6-0, ineligible to compete the second semester this past season, may also turn out.

Tony Pinkins led the team in scoring with 534 points in 29 games for an 18.1 average. Newport was next with 427 points and a 14.7 average while Hegerle was third with 315 points, Mickelsen fourth with 293 points and Sams fifth with 180 points.
Following a win over Long Beach State and a three-point loss to Cal Poly, the Aztecs went on another winning streak that saw them win nine straight including four playoff games. The five regular season wins came over Los Angeles State, Whittier, Naval Training Center, Pepperdine and Long Beach State. San Diego moved into the playoffs and drew Cal Poly as its first opponent. The two teams had split a two-game series during the regular season but the third game was to go to the Aztecs. Tony Pinkins dropped in 26 points and Sams scored 23 in pacing them to a sweet 93-69 victory.

With the Southern California NAIA championship as the prize, San Diego met Pasadena Nazarene in the second playoff game. The Crusaders made a fight of it all the way, spurred on by a large group of rooters who made the trip to San Diego, but Pinkins again scored 26 points and Newport hooked his way to 18 as the Aztecs led throughout for a 78-62 triumph. Humboldt State College was picked as the next playoff opponent and the game was played in Eureka, Calif. The Aztecs arrived by plane and received a warm welcome by the entire city. The game, played as an afternoon to a whirlwind look at a fine city, was almost anti-climactic. Humboldt made a game of it for the first half but the fast-breaking attack of the San Diegans wore them down after intermission and resulted in a 91-63 Aztec win. Pinkins with 24 points and Newport with 22 were the top point getters. The game gave San Diego the District 3 NAIA title and a berth to the NAIA championship tournament. After a few mixups in connections and leaving coach George Ziegenfuss, manager Mel Curry and Nordquist to catch a later train, the team arrived in Kansas City after 30 hours of traveling, tired, but still with plenty of spirit.
The 32-team tournament began on March 12 but San Diego drew a first day bye and played its first game March 13 against Alderson-Broaddus College of Phillipi, W. Va. Playing at 10:30 p.m., the sixth-seeded Aztecs battled for four quarters through a haze of cigarette smoke and pulled out a 77-64 win. The team still showed effects of its long train ride but won with a 21-point spurt by Pinkins, a 16-point show and fine defensive effort by Mickelsen, and 15 points by Hegerle. Center Gelring looked sharp under the backboards as Ziegenfuss cleared his bench in the last half.

Again drawing a 10:30 p.m. starting time, San Diego ran up against a giant Gustavus-Adolphus team from St. Peter, Minn., for its second-round foe, March 14. With a starting lineup of a 6-7 and 6-5 pair of forwards, a 6-8 center, and a guard who stood 6-3, the Gusties dominated the backboards in the first half and left the court at recess with a 37-27 lead. The Aztecs put on a spirited second-half rally and had the Gusties hanging on at the end but the first-half deficit was too much to overcome and San Diego ended its season with a 69-60 loss.

San Diego State's frosh team was actually a combination of freshmen and junior varsity this season. Considering the squad was forced to split its forces for frosh and JV games, it compiled a respectable 14-10 record. Guard Jim Marahan led the squad in scoring with 273 points and a 14.4 average. Center Jerry Mulder was second with 219 points and a 9.1 average. Other top scorers were John Lukaseky, 203 points; Bill Reeves, 181 points; Bill Cowme, 137 points, and Jerry Davve, 107 points.

Coach Ralph Grawunder, who took over in mid-season when Carl Benton had to give up his coaching duties to continue his work for a doctorate, cited the team for its fine spirit and ability to overcome mistakes.
San Diego State's track squad placed third in the California Collegiate Athletic Association championships, May 5, at Long Beach State in the last regular meet for the year. High hurdler Jim Weldon and shot putter Dave Abbott both placed second in their events to pace an Aztec team which scored 18½ points.

San Diego won two of four dual meets this season, defeating Long Beach State and San Diego Track and Field Association and losing to Los Angeles State and the University of Arizona.

One varsity record and one freshman record were broken this year. Abbott's 50-7½ shot put effort, March 31, set a new varsity record while a 4:26.0 mile run by freshman Bill Gallacher, April 28, set a frosh mark. Gallacher actually ran a 4:21.8 mile early in the year but it was a non-winning time and therefore did not qualify for a record. Only two men completed their eligibility this season, sprinters Dick Woolfe and Don Hedlund. Coach Choc Sportsman's squad was composed almost entirely of freshmen and sophomores.

California Collegiate Athletic Association Meet — 3rd Place 18½
During the regular season, the Aztec trackmen competed against some of the top collegiate and service teams in the nation, to mention some of Southern California's leading athletic club squads.

San Diego Naval Training Center and Camp Pendleton made up the service competition and gave the yearling Staters some dust to eat with their fine marks.

In collegiate ranks, University of Southern California, University of California at Los Angeles and the University of Arizona all competed with the Aztecs while the Los Angeles Athletic Club and the Southern California Striders along with the San Diego Track and Field Association composed the club teams.

It was hard to find one individual who stood out on the team during the season. Freshman miler Bill Gallaher broke the school record for first year men with a four-lap time of 4:26.0 against Arizona. He had non-winning times of 4.23.3 and 4.21.8. Gallaher received much of his endurance from the cross country season and will be a serious threat to smash the school record of 4:17.1 within the next two years.

Freshman Darrell Sager ran fine races of 1:56.9 and 1:57.1 in the 880 and also should pose a threat to break a school record, the present 880 mark standing 1:54.0. Frosh John Haley and Tom Simpson looked stronger as the season progressed with Haley having a best time of 1:09.9 in the 100-yard dash and Simpson being timed in 1:49.6 in the 440. Haley was late turning out...
and Simpson only ran the 440 after more than half the season had elapsed.

Other good sprint men were senior Dick Woolfe and sophomore Bernie Stolzoff. Sophomore Mike Patterson had a 50.6 440 time, while sophomore Mike Muirhead had a 1:57.1 880 effort.

Perhaps the pluckiest runner all season was two-miler Dave Sucec. Turning out late after competing with the Aztec frosh basketball squad, Sucec lowered his time with each race and had a 10:15 top at the season’s end.

One of the team’s strongest points this year was in the hurdles, where Jim Weldon and Rich Gehring ran identical times of 15.1 in the 120-high hurdles and 25.1 in the 220-low hurdles.

Weldon, a sophomore, finished his second varsity season this year while Gehring was in his first.

In the field events, shot putter Dave Abbott was the outstanding performer, breaking the school record with a 50-7½ toss in the Santa Barbara Easter Relays, March 31. Abbott, in his first year here after transferring from junior college, should better that effort next season, according to Coach Sportsman.

Lack of time to practice kept two Aztecs from exceptional performances. Freshman broad jumper Denny Hill leapt 22.4½ early in the season but couldn’t spend much time on the track because of work. High jumper San Mankins cleared 6-2 but had the same problem.

Taking over for Hill in the broad jump, Russ Himmer also cleared 22 feet by nearly two inches and got support from Jim Holmes. Himmer also occasionally ran in the hurdles races. Bob Ott, when not participating with the golf
Ron Horrington, over the bar at 12·3 in the pole vault.

Sam Mankins cleared 6-2 in the high jump for a first place finish.

The squad, managed to high jump often enough to clear 6-3½. Ott showed much promise and should develop with more experience, Sportsman said.

Pole vaulter Ron Harrington got the bar up to 12·3 and showed improvement over last season while Dan King made rapid strides in the javelin, having a best toss of 162-7.

Los Angeles State's Mal Whitfield leads Aztec Bill Gallaher.
San Diego State's baseballers were in second place in the California Collegiate Athletic Association as the Del Sud went to press. The Aztecs had a 4-2 mark to trail Fresno State by one game.

For the season, San Diego had a 20-10 record against both service and collegiate teams.

Coach Charles R. Smith had done a fine job with a team that listed only four seniors and two juniors on the 21-man roster. The team was doing a fine job of representing the college on the diamond. The inexperience of most of the players was overshadowed by the determination and spirit of the squad.

Freshman infielder Tom Rinks was the leading hitter with a .359 average and also led in home runs, runs batted in and total bases.

Pitchers Dave Cavallin (6-0) and Ken Bailey (7-2) were the winningest moundsmen on the staff with Noel Mickelsen and John Early also coming through with some good games.

Four seniors concluded their careers for the team this season. Pitcher Noel Mickelsen, a two-time California Collegiate Athletic Association first team nomination, completed his eligibility with eight varsity letters, four in baseball and four in basketball. Centerfielder Dick Pomeroy also earned four baseball letters in his career. Pomeroy was team captain and batted over .300 most of the season. In addition he was one of the finest outfielders, defensively, ever to perform for the Aztecs.

Outfielder Jim Beasley used his speed to good advantage in the outfield and retained a varsity berth for three seasons. Used primarily as a utility player, Beasley was best as a defensive insurance in late innings. Infielder Dick Warren proved the mainstay of the team this season, being the only returning infielder from last year. Warren, used at second, shortstop and third base in 1955, stayed mostly at the latter position this season.
The Aztec team was primarily composed of first and second year men, making the outlook for the next two or three years a bit on the rosy side. Junior Doug Harvey and sophomore Jim Bryant handled the catching duties and improved greatly as the season progressed.

In the infield the first baseman, Butch Madiani was a sophomore and Jerry Smith was a freshman. Both are lefthanded and capable of hitting the long ball, trading off that position most of the games.

Butch Madiani was a sophomore and Jerry Smith was a freshman. Both are lefthanded and capable of hitting the long ball, trading off that position most of the games.

Sophomore Gary Andruos and freshman Tom Rinks added power at second base and shortstop respectively and both looked to be improving for future greatness.

In the outfield, leftfielder Clyde Thomas provided most of the team's power for the second season. Only a sophomore, Thomas has probably more potential power than any other player.

Another sophomore, Bill Row, proved to be the surprise of the season. After laying out of school for two years, Row joined the varsity and was the leading hitter most of the time. He batted in the cleanup position.

Clyde Thomas slides into third base with a long triple.

In early season play, the team won 14 of its first 23 games, looking good in some games and showing lack of experience in others. Row, Rinks, and Mariani supplied most of the hits in those games. Against strong Stanford University, Row collected a homerun, triple and double in pacing San Diego to an upset 12-3 win over the Indians. Speaking of hitting, including the game of April 14, an Aztec baseball team had scored at least one run in 66 consecutive games and had been shut out only once in the last 109 games. Games after April 14 were unavailable for Del Sud coverage.

Gary Andruos gets a hold of one during the Cal tech game.

The pitching staff will miss Mickelson but Coach Smith has three other men who could prove helpful next year. Sophomore Dave Cavollin used his "junk" pitches to pile up an impressive record. He made his finest performance in his two year varsity career when he defeated the University of Arizona, 8-5. Cavollin's win over the Wildcats was that team's first loss to a collegiate squad in 31 games. Another sophomore, red head Ken Bailey, also won his second letter. Bailey was the workhorse of the staff most of the season and the big right-hander showed plenty of improvement with his newly developed screwball.

Righthander John Early, up from last season's freshman team, was used as an alternate starter and relief pitcher. With not too much experience behind him, Early showed he has the determination to be used as a starter in the future.

San Diego State College’s cross country squad won an un-
precedented fifth straight California Collegiate Athletic Associa-
tion championship this season with an easy win over the league’s
three other entrants.
The Aztecs scored 27 points (low score wins) to 38 for runner-
up Fresno State. Santa Barbara’s fine runner, Gordon McClena-
than, won the race but San Diego finished second, third, fifth,
sixth and eleventh.
It was a surprisingly easy win for San Diego, the Aztecs expected
strong competition from every team entered. However, coach
Choc Sportsman’s runners had too many strong individual entries
and the Aztecs won the title in a breeze.
Dick Parker, Darrell Sager, Dave Succe and Bill Gallaher work out in preparation for CCAA meet.

**CROSS COUNTRY**

Freshman Bill Gallaher finished second behind McLenathon with Aztec Hollis Barber a surprise third. Barber hadn't been expected to place so well and his strong finish undoubtedly was the clinching factor in the San Diego win.

Don Foster placed fifth, a step ahead of Dave Succe, while freshman Darrell Sager was in eleventh position.

As usual, San Diego didn't have to travel too far to meet strong competition this season. The San Diego Track and Field Association, composed of former Aztec athletes for the most part, turned up some fine runners and split in two meetings with the Staters. In a dual meet, the Staters slipped by with a 31-27 victory, but the Association came back the following week to win the first annual American Legion Invitational with 26 points to SDSC's 31.

In addition to the finishers in the CCAA meet, the Aztecs also got points from Jim Suverkrubbe, Jim Weir, Dick Parker, and Jim Battenfield. Parker and Battenfield competed with the junior varsity squad along with Bill Jennings and Mike Muirhead.

Camp Pendleton also provided some tough competition for the San Diegans, taking the place of once powerful Naval Training Center.

Out of the local area, the University of Southern California as usual had a powerful squad. The Aztecs, USC, and UCLA were probably the three top teams on the West Coast.

On the outlook for next season, all men should be returning with the exception of Weir and Suverkrubbe, both called into the service.

Freshman Gallaher, who set a frosh mile record during track season, should anchor next season's team with plenty of assistance from spunky Barber, Succe and Sager. In addition, the members of the junior varsity squad should step up to varsity positions to give Sportsman another strong league entrant.

With construction work taking the former layout, the Aztecs moved to the new Morley Field site in Balboa Park to hold their meets and the 2.8 mile course was ideal for getting in shape for the all-league championships.

GYMNASTICS

Senior Charlie McIntire, four-year letterman and top performer on the SDSC gymnastics team, completed his career this season.

The Aztec gymnasts completed one of their finest seasons this year by winning four of five dual meets. The only loss in dual competition was to Valley Junior College. The close of the season marked the end of the SDSC gymnastics career of Charlie McIntire. Senior McIntire was a four-year letterman, team captain, and led the team in scoring in three of the five dual meets and in a triangular meet with Los Angeles City College and Los Angeles State. McIntire excelled in the parallel bars, long horse, tumbling and all-around.

A promising newcomer this season was Bud Mahanay, who progressed rapidly enough to become the high scorer in the last two meets of the season against Cal Poly and Occidental. Mahanay competed on the flying rings, still rings, free exercise, all-around, parallel bars and horizontal bar.

Other point getters were Mike Rosenberger, Gary Albright, Dale Muchmore, Gil Hatter, Gus Eulitz, and Don Brown.

In addition to the dual competition, Coach Fred Kasch arranged several half-time exhibitions at Aztec basketball games that proved both entertaining and explanatory for fans. The exhibitions and success were also due in part to Stan Levin, SDSC student who has performed professionally. Levin served as an assistant coach and also performed at the exhibitions.

Senior Charlie McIntire, four-year letterman and top performer on the SDSC gymnastics team, completed his career this season.

Forbes Anderson completes his rope climbing performance against Los Angeles City College.

Much of the team's success this season was the result of assistance from professional Stan Levin. Levin also gave many exhibition performances.

One of the finest wrestling squads ever to represent San Diego State was the boast of the 1956 Aztec grapplers. The team won the California Collegiate Association championship, seven of nine dual meets, placed fifth in the Pacific Coast Championship Tournament, and sent three men to the National Collegiate championships at Stillwater, Okla.

Coach Harry Broadbent's matmen took the CCAA title with a 31-2 revenge win over Cal Poly, capturing seven matches and earning a draw in the eighth. Cal Poly had defeated the Aztecs in 1955 for the CCAA championship.

San Diego's only two dual losses were to Camp Pendleton, once by six points and again by eight points. Wins came over Naval Training Center, Keylock Club, Cal Poly, Stanford University, San Francisco State, San Quentin Prison and El Camino Junior College.

In the Pacific Coast tourney at San Luis Obispo, 130-pound sophomore Jim Bodenhamer and 147-pound senior Forbes Anderson took individual titles while 157-pound senior Andy Castiglione captured a third place. Anderson and Castiglione were team co-captains. Their success earned the trio a trip to the National Championships but they failed to place in that tournament.

Under the guidance of coach George Ziegenfuss, SDSU had a tennis team that competed on an intercollegiate level for the first time in many years this season.

Through the first four matches of the year, the squad was undefeated, holding two wins over Camp Pendleton and two wins over Los Angeles State College.

Top players on the squad were Jay Turner, Jim Wyatt, George Vlahos, Maurice Altschuler, Louie Lab, Dick Graham and Dick Knox.

One aspect of military training.
In recent years, a constant source of pride and distinction to San Diego State College has been our outstanding debate team. This year proved to be no exception. SDSC's orators were victorious in all the events they participated in. Tony McPeak and Ada Picoizen were chosen to participate in the West Point Invitational Speech Tournament, making them unofficially the Southwest's top debating team. SDSC participated in such important tournaments as the Pepperdine College Debate Tournament. In this contest Miss Picoizen and Mr. McPeak were the only undefeated team in the West Point division. They received a total of sixteen out of eighteen ballots. Eight members of the team journeyed to Pasadena College for the Pasadena Nazarene Speech Tournament, while Ada Picoizen and Tony McPeak debated with two students from Sweden and Denmark on the problem of a guaranteed annual wage for the non-agricultural industries of the United States. The teams were coached under the able directions of Dr. John Ackley and Dr. Robert Benjamin. The High School Speech Tournament, a semi-annual event held each semester, this year drew record participation from the local area, and was judged the finest to date.

With the fall came the Western Speech Association Tourney at Pacific Lutheran College, Tacoma, Washington. From this event, our ten representatives brought home the top sweeps trophy with a thirty point margin over U.S.C., our nearest rival. Among the top debaters this year were Lee Granell, Jim Hutchens, Robert Neil, Richard Castro, Dorothy Scully, Elynor Maslowsitz, Mary Ward, Stan Skinner, Robert Presher, and Harry Steinmetz, Jr.
**IMAGINARY INVALID**

This play was the last work of Molière and is a satirical comedy on the medical profession of the 17th Century. It was directed by Hunton D. Sellman, chairman of the Speech Arts Department. Technical director was Don Powell, assistant professor of Speech Arts. Lead roles of Argan and Toinette were taken by Jack Lueken and Eleanor Layton. Play had its successful run December 2, 3, 8, 9, 10.

**HIPPOLYTUS**

First production of the season. A 2,500 year old tragedy by Euripides. Was given October 21, 29, and November 3, 4, and 5. Cast included Donald Rheinm and in the title role, with Ann Farrar as Phaedra and Tom Losswell as Theseus. Director was William J. Adams, assistant professor of Speech Arts, set designed by Don Powell, assistant professor of Speech Arts. Costumes were those used in the movie "Spartan and Delilah." Play concerns Hippolytus who swears an oath of chastity, which angers the goddess Aphrodite, who seeks retribution by forcing his step-mother to fall in love with him.

Dick Walker ably guided the publication of the Fall Aztec... composed of one of the smallest staffs... for the first time in many years the paper was a money-maker... a "slight" run-in with Senator Kraft in regards to academic freedom was one of the big issues of the semester... the paper, published once a week was one of the biggest in the school's history.
AZTEC SPRING

Diane Garrett was selected by the Publications Board to edit the spring issues. She was also elected president of the Press Club. Miss Garrett guided an Aztec that was published once a week and boasted a circulation of 4,500, the largest in school history. The Aztec received an exceptionally large amount of advertising. Its hard hitting editorials pushed the campaign for the Universal A.S. Card, while the “Letters to the Editor” brought forth many interesting and enlightening comments.

Due to the fine journalism curriculum at SDSC, 14 journalism majors now hold professional positions on San Diego newspapers.
The 1956 Del Sudoeste saw many changes this year. It was the first State College yearbook to be printed in offset lithography by an out-of-town printer, and also reached a record total of 312 pages. The Editor and staff wish to extend their heartfelt thanks to the staff of the Yearbook House, Monrovia, for their patience and expert advice during the long and tedious months of preparation. We would also like to thank the S. K. Smith Co. for the covers, and the many students and members of the faculty who lent a helping hand.

The coordination for the activities of the fifteen national fraternities on campus is the purpose of the Inter-Fraternity Council. Robert Linn was the advisor and Alan Mishne was president. This year IFC inaugurated new bidding and rushing regulations. It sponsors the Fraternity All-Stars vs. Fresh basketball game for scholarship money. Each year IFC awards four basketball scholarships. Each semester the IFC sponsors the traditional pledge chariot races. The IFC sponsored inter-fraternity sports program ranged from golf to basketball. The trophy for highest scholarship, given by the Council, was received by Zeta Beta Tau for scholarship improvement, Theta Chi.
The ATO-Gamma Phi Float depicting the “Crown of England” received top honors for best portrayal of theme in the Homecoming Parade. Dean Erwine, A.S. Veep, was tapped for Blue Key. The selection of “Miss Shipwreck” highlighted the “Shipwreck” dance in the spring semester. Pledges pitched in again this year for ATO’s traditional “Help Week.” Annual “Heidelberg” proved to be a huge success as in the past. Ed Bohanon and Frank Faxon were on the Del Sud staff as Government editor and assistant, respectively.

Engineers Student at work?

Shades of Wild Bill Hickock... Theta Chi's Circle-Bar X brought the western touch to the campus... who stole the cover from the covered wagon?... interfraternity gambling and dancing at Casper’s Rancho... real gambling equipment too... “Put SDSC on the Map” “vote yes on UAF”... again the issue of the Universal Activity Fee was reopened... intense campaigning on both sides... vote was 3 to 1 in favor of the measure... history’s largest campus election... Construction started on the new speech and home economics buildings, marking the start of a gigantic 20 million dollar expansion program which will make SDSC one of the largest State colleges in the country...

The Barber-Shop Quartet Contest, an annual affair sponsored by the AMS, was held on March 23... Pi Kappa Alpha placed first in men’s division and Alpha Chi Omega first in the “Beauty-Shop Quartet”... Delta Sigma Phi was second and Sigma Chi was third in men’s division... Frank Mendosa was chairman of the event... Daddy's Little Girl
A project of the sophomore class, BEST FOOT FORWARD was presented April 5, 6, 13, 14 at the Dana Junior High School Auditorium... the bright musical comedy concerning the happenings at Winsocki Prep School for Boys was directed by Tom Lasswell... Bud Hooper, a Winsocki student, asks a famous movie star, Gale Joy, to be his date for the Homecoming dance. When she accepts (as a publicity stunt), it starts a cycle of hilarious events, almost ending with Bud's expulsion from school and the loss of his girl friend, Helen Schlessinger. These hectic happenings made BEST FOOT FORWARD a rollicking cavalcade of musical fun... principal players were: Carole Baldauf, Gale Joy; Ole Kitterson, Bud Hooper; Barbara Richard, Helen Schlessinger; Joe Turner, Jack Haggarty; Bill Kluck, Dutch Miller; Jody Barlow, Blind Date; Todd Von Every, Hunk Hoyt; Paula Thomas, Minerva; Nancy Ols, Ethel; Louis Repaci, Dr. Reeler; Jerry Schultz, Chester Billings; Diane Morgan, Miss Delaware Water Gap; Fred Bruner, Chuck Green.

Choreographers Carol Jett and Dale Muchmore.

Standing, left to right: Hunk Hoyt, Dutch Miller, and Bud Hooper. Rear: Gale Joy, the "Wham Girl!"

While "Old MacDonald Had a Farm" the Kappa Sig's had a ball... complete with beards, hick-clothes, and greased pig, they gave the Aztecs one of their best dances of the spring semester... a real "corn" ball... Spring Elections with all the student body eligible to vote... race for student officers speeded up... a strong independent party made its debut in the local politics... most candidates elected on first ballot...
The Kappa Alpha Dixie Ball . . . once again the grey clad warriors of the South defeated the carpet baggers of the North after a pitched battle, and took the control of Fort Aztec . . . the dress for the ball was southern and the belle of the ball was lovely Betty Harmon . . . Alpha Xi Delta car wash . . . for $1.25 your car looked like new . . . Sigma Pi Moonlight Serenade at the Veteran War Memorial Building . . . Sigma Phi Epsilon Beard Growing Contest . . . with admiring coeds judging rough and ready fraternity men's face brushes . . .

Founder's Day saw various departments demonstrating the tools of their trade . . . highlight of the day saw the hour long exhibition put on by the dancing class . . . Sigma Chi's annual open bid dance the Tropical Cruise was held in the Cotillion Room, marking the official opening of that new addition to the El Cortez Hotel . . . Music was provided by Charlie Barnett . . . Sigma Chi offered free bids to anyone who used his (or her) stomach for a fishbowl . . . Nine stouthearted men and one brave woman volunteered their services — anything to save a couple of bucks . . .
Vote Fudnick for Vice.

The AMS Fashion Show held in CLS Auditorium... highlight was preview of bermuda shorts and knee socks... All Women's Day celebrated with AMS Banquet, bridge tournament, and carnation sale... Men's Glee and Treble Clef attended concert at U.C.L.A... Shipwreck... Alpha Tau Omega beach combers selling bids encased in bamboo... was held in the new Palm Room of the U.S. Grant Hotel... Dorothy O'Laughlin, Alpha Chi Omega, was Miss Shipwreck... Cavalleria Rusticana, one act opera performed by Music Department... Pledge Charlot Races, again won by the mighty men of Sigma Chi... 

Awards Day... Al Mishne was named Man of the Year, Man of the Semester was Noel Mickelsen... Blue Key tapped Lt. Col. John Monaco of the Air Science Department and Cast Biebo, a junior... Bob House received the President's Award... Gold council awards were received by Bob House, Al Mishne, Julius Campbell, Ann Peterson, and Sharilyn McSwan... rally chairman award, Noel Smith... band president's award went to Eddie Fisher... special service keys went to Jay Gutowski, Tony McPeak and Terry Lauritzen... the SDSC band provided entertainment...

"Mr. Montezuma Himself"
INDEX AND SUBSCRIBERS

While relaxing in the Cafe Patio, planning moves to "Put State on the Map," four campus leaders enjoy "the light refreshment," Pepsi-Cola. Left to right: Brenda Heiman, Al Mishne, Ado Picciaro, Bob House, student body president.
One of San Diego State College's most popular betrothed couples—Virginia Barnett and Martin Beck—are pictured here with Jessop's Bride's Counselor—Miss Lee. She is showing them Jessop's sterling silver collection—the largest in any jewelry store in the West. Miss Lee is also pointing out the advantages of Jessop's Pattern Registry Service. How, for example—the bride registers only once, but—if she prefers—that pattern record on silver, china and crystal is available to all three Jessop stores. Also, that the service makes gift giving easy—avoid duplications—and is an excellent insurance reference. You, too, are invited to take advantage of this friendly service. J. JESSOP and SONS—Jewelers since 1870—Downtown San Diego—North Park—La Jolla.
For the "Finest Meats Obtainable" the cat goes to the EL CAJON MEAT COMPANY ... And "he has been serving students like Barbara Molner for many years ... Eddie Andrews, owner of the EL CAJON MEAT CO., sees to it that his cat gets only the best ... just as he would take care of your fraternity or organization from his clean, efficient plant in El Cajon THE EL CAJON MEAT COMPANY Magnolia and Cypress Avenues ... or phone H-4142.
TONY'S PIES have long been a favorite of the 'guys and dolls' on this campus. This foursome (left to right, Nancy Warner, Alice O'Neal, Joyce Chadwick, Jerry Cole) seems to agree 'there's no better way to spend that between class break than in the caf', with friends and TONY'S PIE'. Individually wrapped or on a plate, Tony uses only the best of fresh, rich fruits and bakery goods. . . . TONY'S can also supply your fraternity or sorority with bakery needs from its retail shop at 2985 National Ave., or call BE. 9-9329 for delivery.

"It's FLAVOR FRESH!" Bud Rogers and Johanne Steinmetz seem to say as they fortify themselves for the next class with delicious Arden chocolate drink and Arden Flavor Fresh Homogenized milk. They're typical of many State students who enjoy Arden Flavor Fresh Dairy Products both on campus and off.

Fall, spring, summer, all year around the familiar orange and
green striped carton of VITA-PAK orange juice is a welcome
sight to all campus-ites. Paul Klotz (l.) and his twin brother
Gene (r.), seem to agree that VITA-PAK, made from pure,
fresh oranges, is a real thirst-quencher. VITA-PAK; try some
real soon.

Serving Aztecs better than students of other colleges is the aim of Aztec Shops employees. Even while plans were being made for building a new bookstore and a new cafe, extensive improvements were made in present facilities. Most noticed change was in Main Cafe where new plastic booths were installed.

Included in the duties of Shops personnel beside their retail functions are accounting activities in connection with the Associated Students, the Student Centralized Bank and the San Diego State College Foundation. Graduate Manager Dickie Thomas heads this very active phase of campus life.

TOP RIGHT—These happy folks feed Aztecs in the Patio. They are, left to right, Della Howard, Jerry Bevilacqua, Frank Walker, Marie Hayes, Elaine Velasco and Ella Fields.

RIGHT CENTER—Familiar to all habitues of the Main Cafe are, from left to right, Jerry Bevilacqua, Angie Ebeld, Francie Roos, Virginia Stanley, Ethyl Seigle, Katherine Mays, Dorothy Burdeman, Mary Jane Whitley, Julie Fikivather, Ruth Peterson, Nannie Worshup and Andy Ramonquez.

LOWER RIGHT—Important cogs in the Shops machinery are, seated, May Wilbert and Marjorie Baker; standing, Gay Macklin, Lovell Baker, Bernice Lincoln, Doris Hawley and Tom Ashby.

BELOW—Beaming Boss Dickie Thomas poses with the Bookstore gang. They are June Saleebey, Ruby Mayfield, Doris Heskett, Lyall Tucker and Jewel Ollestad.
At Convair, young engineers find the diversity of challenging, far-reaching programs that offer unlimited career opportunities. Convair in San Diego has a diversity of engineering projects including high-performance fighters, heavy bombers, large flying boats, transports, seaplane fighters, vertical take-off aircraft and guided missiles – plus a completely integrated electronic development program devoted to advanced development and design on missile guidance, avionic projects, radar systems and special cathode ray tubes.

Management at Convair is keenly aware of the importance of integrating good, young engineers into its engineering department. Pictured above are a group of San Diego State College students – a part of Convair’s student – co-op engineering training program who have participated in many of Convair’s new and important projects.
