PUBLISHED BY ASSOCIATED STUDENTS
SAN DIEGO STATE COLLEGE
SAN DIEGO, CALIFORNIA
In this year 1960-1961 there has come to the people of our country, our state, and our college recognition of great events in the future. This volume of Del Sudwste will be cherished by all who have been on the campus this year because it is being published in a year of promise for the future and a year of predictions. All of you will find your greatest experiences in life during the next fifteen or twenty years when the results of these predictions will be achieved.

Your life on the campus of San Diego State College is the preparation for your participation in the great events to come. All eyes will be upon you during these coming years.

Malcolm A. Love
President
ADMINISTRATION

CAMPANILE
ERNEST B. O'BYRNE, vice president of the college, is concerned with public relations between the college and the community. Dr. O'Byrne is also in charge of the coordination of administration and research.

DARRELL HOLMES, executive dean, is the administrator of the college building program. All the new structures on the campus have been built under his guidance.

DONALD R. WATSON, dean of the college, is responsible for the academic program of the college. Dr. Watson works with the president of the college regarding problems of the faculty.

MAURICE M. LEMME, dean of graduate and professional studies, supervises all graduate work. Dr. Lemme is in charge of the office of the Graduate Division also.

MANFRED H. SCHRUPP, dean of education and extended services, is the director of teacher education programs and of extended services, including summer, extension, and evening classes.
DEANS

HERBERT C. PEIFFER JR., dean of students, coordinates and stimulates the development of student personnel service.

MELVIN A. ANDERSON, dean of admissions and records, is in charge of the IBM procedures used in handling student records and the evaluation of upper classmen. He also heads the program for admitting all freshmen and upper classmen.

ROBERT T. GRAY, dean of counseling and testing, is in charge of the Personnel Services Center. He is also responsible for the advising program at the college.

MARGERY ANN WARMER, dean of activities, administers the college program of activities and scholarships for students.

SIDNEY L. GULICK, dean of arts and sciences, is concerned with special programs for superior students. All excess study loads for students must be approved by him. He presides over the arts and sciences council, and is in charge of setting up the new arts and sciences program which will be available to students in the fall.
The military defense of our country is the defense of liberty and freedom, and the national budget allocates billions for this purpose. Since World War II and the rise of nuclear power, the United States Air Force has proved itself to be a strong and resourceful part of the defense program.

This year a modified basic Air Force Reserve Officer Training Corps course has been added, which permits freshmen and sophomores to take general education courses in lieu of Air Science.
The Division of Business Administration at San Diego State which offers programs in the fields of accounting, business education, business law, real estate and insurance, and management and marketing is considering changes in the Department of Management to make the division more complete.

The name of the Department of Business Law, Real Estate and Insurance was changed during the year to the Department of Business Law and Finance.

The Bureau of Business and Economic Research completed and published three major reports this year.
The curriculum in the Division of Engineering at San Diego State was recently revised to reflect industry's demands for men with a broader understanding of the science of engineering.

A graduate program in the area of mechanical design is being planned. A $2,250,000 Engineering and Applied Science building was constructed. The structure will have the newest of modern equipment valued at over a million dollars.

During the year a radical ground effect machine, similar in appearance and operation to a low level "flying saucer", was built by Aero Space students.

The departments of art, home economics, music and speech make up the Division of Fine Arts.

The major productions given by members of the Drama Department this year have made San Diego State students, faculty and the community aware of the fine work done in the field of dramatics on campus.

The Speech Arts Department has expanded in its use of mass communications media with increased city-wide programs.

The Music Department is planning a $500,000 building addition, scheduled for completion in 1965. The Art Department has been authorized to grant a Master of Arts degree.
HEALTH, P.E., RECREATION

The completion of the new gymnasium in February was welcomed by the Division of Physical Education, Health Education and Recreation. The new structure houses three gyms, two swimming pools, locker rooms and offices.

New outdoor facilities including a playground and tennis courts were also completed this year.

Men's physical education, women's physical education, health education and recreation are the four departments in the division which also includes intercollegiate athletics.

HUMANITIES

The department of English, foreign languages, history and philosophy are included in the Division of Humanities. The Humanities Division operates its activities through each department rather than as a divisional unit. Students can graduate with a general major in this division if they complete requirements for three minors.
The Division of Life Sciences, through the departments of botany, microbiology, nursing, psychology and zoology, is concerned with training talented young men and women to meet the ever increasing demand for scientists.

A three-year grant of $10,000 from the National Science Foundation to the San Diego State Department of Zoology makes possible graduate research in the effects of radiation on heredity.

The life science major offers specialization for a particular occupation in the fields of entomology, fish and game, plant quarantine and wild life.

With the dawn of nuclear power only a few years behind us the physical sciences have become a major part of our educational system.

The Division of Physical Sciences at San Diego State has been growing rapidly. This year brought the completion of a 24-inch telescope which was partly constructed by students, and a sub-critical atomic reactor which was constructed by staff members.

A new Industrial Arts-Engineering Building is under construction and plans are being made for an approximate 100,000 square foot Physical Science Building.
DEPARTMENT CHAIRMEN, row 1, from left: Dr. James Taylor, geography; Dr. David Milne, division chairman. Row 2: Dr. Robert Wilcox, political science; Dr. Bernard Kirby, sociology-anthropology; Dr. Graydon Anderson, economics; Dr. James Julian, journalism.

The ten prettiest coeds on campus invite you to tour San Diego with them on the following six pages. The girls were selected as San Diego State's prettiest coeds by a panel of judges including Jim Quain, managing editor, El Cajon Valley News; Frank Fateley, student public relations director; Phil Joannes, Aztec advertising manager; Guy Ryan, community relations director, San Diego Tribune; and Jack Daugherty, student activities adviser.

DIANE GRESS, reigns as Miss Del Sudoeste of 1961. Diane is shown at the San Diego Yacht Harbor, a popular water playground located on the bay. The 18-year-old beauty queen is a freshman art major and a member of Chi Omega sorority. She was entered in the contest by Kappa Sigma fraternity.

GAYLE GRIGGS, a freshman pre-med major, proves that beauty and brains do go together. Gayle is shown visiting the Old Spanish Lighthouse, which is situated on the tip of Point Loma. Toltec Hall entered Miss Griggs in the contest.
MISSION DE AICALA

CAROLYN KWINT is photographed in the garden of the beautiful mission San Diego De Aicala. Carolyn, a freshman education major, was entered in the contest by her sorority, Alpha Epilon.

YOKOHAMA MONUMENT

FINALIST SUSAN ALBRETSEN is shown at San Diego's newest landmark, the Yokohama Bell Monument. The bell was given to San Diego by its sister city, Yokohama. Susan, a freshman secretarial management major, was sponsored by her sorority, Alpha Chi Omega.

LA JOLLA SHORES

THE SCENIC VIEW of La Jolla Shores provides the background for finalist Hannah Lloyd's picture. Beginning in early spring and continuing until late in fall, thousands of bathers daily visit the beach, which is located to the north of San Diego. Hannah, a pretty blond sophomore, was sponsored by Tarastec resident hall.
CIVIC CENTER

SAN DIEGO'S harbor front Civic Center provides the setting for the photograph of finalist Jane Wright. Jane, a blonde haired, brown-eyed freshman, is majoring in home economics. She was sponsored by Alpha Phi Omega, a service fraternity.

PRESIDIO PARK

LOVELY LUCILLE BROUSSEAU, the only senior selected as a finalist, is shown at Presidio Park, the site of California's first Spanish mission. The 21-year-old English major is a member of Kappa Alpha Theta sorority. Tau Kappa Epsilon sponsored her in the contest.

BALBOA PARK

ATTRACTIVE NANCY THURSTON is photographed in Balboa Park, the home of the world famous San Diego Zoo. The beautiful park, located in the heart of the city, is the biggest tourist attraction in San Diego. Nancy, a sociology major, was entered in the contest by her sorority, Gamma Phi Beta.

TORREY PINES

SANDY JAWORSKI, a tiny, blue-eyed blonde, is photographed at Torrey Pines. The picturesque water front park is the site of the National Glider Championships. Sandy, a sophomore business major and member of Pi Beta Phi sorority, was sponsored by Zeta Beta Tau.

In 1957 SDS inaugurated one of the few professional broadcasting curriculums in the nation. The program consists of four years of study in radio, television and their related subjects, leading to the degree of bachelor of science in broadcasting.

The curriculum includes classes in station management, advertising, programming, announcing, news writing, operational engineering, production and directing.

The studios contain three audio systems of professional broadcasting standards, enabling the students to produce a variety of programs.

The San Diego State varsity showed no more than a “lot of heart” as the Aztecs ended the 1960 football season with a dismal record. The strength of its opponents was simply too much for the scrappy team as it managed to win only one game and tie one during the eight-game schedule.

Among the outstanding Aztec players were Dick Morris, halfback; Pat Roberts, guard; Bob Moss, center; and Russ Boemke, quarterback. The first string included Ed Duckett, Max Grosso, Roberts, Moss, Leroy Dotson, Dick Hammes, Joe Rockhold, Jim Wolf, Morris, Len Johnson, Carl Haya, Sam Stuart, Joe Gabaldon, Mike Tarlton, Rick Garcia, and Boemke.

PAPOOSES WIN ONE, LOSE THREE

The freshman football team won only one of the four games it played last fall. However, the team did show some offensive power, scoring a total of 62 points during the season. Lack of depth in the line hurt the Papooses' chances of defeating their rivals, who used the two-platoon system and always had a fresh team on the field during the 60-minute tussles.

The unsuccessful year in the won-loss column can be attributed to the inexperience of the team. In every game fumbles hurt the frosh as they lost to the USD Frosh 16-14, and to UCLA 29-6.

Top scorers for the Papooses were Jim Stauber, halfback; Ernie Griffen, quarterback; and John Moore, end. Outstanding linemen included Steve Billings, Bob Prahl, Ronnie Bryce and Dave Sheets.

Coach Joe Till said he felt the three-day layoffs between games was a big factor in the team's poor showing, and said his team had done a good job under the circumstances. With a year's experience the Frosh players should strengthen the varsity squad next year, Till said.

CROSS COUNTRY UNDEFEATED IN COLLEGE COMPETITION

This year's cross country team was perhaps the best in SDS history. The Atees harriers won the CCAA championship for the ninth time in the 10-year history of the championship. Led by Coach Choc Sportsman, the 1960 team won nine meets and lost only one.

The loss came in the UCLA 4-mile run, in which the Striders of L.A. nosed out the Atees and the Culver City Athletic Club by a narrow margin. Ironically, SDS had beaten both the Striders and Culver City by fairly wide margins in two previous meets. In the CCAA championship meet, the Atees harriers gained sweet revenge as they edged Long Beach State, the team which had dethroned SDS last year. The 1960 Atees harriers were undefeated in college and university competition.

Outstanding stars such as Mike Dragila (winner of the CCAA individual title, the October "athlete of the month" award, and unbeaten by his teammates this year as he placed first eight times and came in second and third once each), Bob Larsen, Max Cheney, Bill Hudson, Ernie Portee, Spencer Milne, and Wendell Maize, consistently placed among the top 20 runners in every meet. Since only Larsen is being graduated this year, future State teams should bring more honors here.

AZTECS END SEASON IN CONFERENCE BASEMENT

The Aztec basketball squad finished in the league basement for the second consecutive year. Despite a losing season, the Aztecs played as well as could be expected for a young, inexperienced squad. Coach George Ziegenfuss said, "We performed satisfactorily for a first year club. The four ball players we lost due to ineligibility really hurt us."

Although the Aztecs managed only a 3-7 conference record, and a 10-14 over-all mark, many of their losses were by close scores.

One of the bright spots of the rather bleak season was the clutch playing of Hunter, Ostapinski and Maureau, which often brought Aztec fans to their feet.

The season is over, but the future looks bright, with all starters returning next season. According to Coach Ziegenfuss, "With the return of all starters and ineligible men, plus some transfers, SDS should win the California Collegiate Athletic Association title."

FROSH BASKETBALL

Coach Carl Benton was satisfied with the Papooses’ performance this year. Although the Froshmen managed only a 13-11 record they did show moments of greatness in the latter part of the season. A combination of fast-breaking and good offensive play made up for the Papooses’ lack of defense.

Coach Benton felt that Tom Elson, Bill Bruce, John Powell, Dave Flesner and Bing Drastrup could make the varsity next year.

The unusual thing about this year’s team was that it performed its best against the better teams, while against the poorer teams it fell apart.

VARSITY WRESTLING

Varsity wrestling at SDS this year was a story of accumulated personal pressures that eliminated from the roster previous year's standouts and other strong available recruits. Not one letterman was in the final lineup which let Los Angeles State squeak out a narrow victory, but the dual meet record still allowed the Aztecs to wind up tied for runner-up honors in the California Collegiate Athletic Association. Cal Poly, second to the Aztecs last year, was this year's champion.

Co-captain Dick Winn began the season with a brilliant victory over his opponent who was touring with the National Championship team from Oklahoma. Sharing the team leadership was Pat Bennett, an outstanding member from last year's Popoose team; and Larry Isham, heavyweight, who showed consistent strength and improved as the season progressed.

FRESHMEN OFFER HOPE TO FUTURE VARSITY SQUADS

Silver lining to the varsity picture was the remarkable performance and record of the Freshmen grapplers. The Frosh's 9-1 record included three shutouts and a victory over the varsity. Three shared the center spot: Tom Logans, winner of a 3rd spot in the hotly contested nationally ranked NTC Invitational, and loser of but one dual match; Pete Burgert, victor over the strong San Bernardino opponent and loser only to Winn, SDS varsity star, in dual meets; and Bill McKerney, heavyweight, who after a exhibition loss to the Oklahoma National Champ, breezed through the season with nine consecutive falls. Bill Limbeck was named the "most improved" man on the Frosh team.
Aztec coach Choc Sportsman has had a rather lean year in the win-loss column so far, but he said he was pleased that many of his athletes had improved over last year. He cited such standouts as Mike Dragila, Ed Ott, Russ Boshuk, Paul Sallinger, Wayne Morris, Ray Ratelle, John Hess, and Tom Proctor. Good depth has been the key to the Aztec's success this season because they did not capture many first places but numerous seconds and thirds.

Sportsman was particularly pleased with his distance star Mike Dragila, who did just about everything humanly possible on a track field. Although the Aztec's effort has been commendable, coach Sportsman said that much work is needed if the Aztecs are to be in contention for future conference crowns.

At the time the yearbook went to press the Aztec baseballers had a 4-2 conference record and trailed first place Fresno State by two games. The Aztecs, the defending CCAA champions, were supposed to be stronger this year with such newcomers as pitchers Paul Scollard, Joe Gabaldon and Larry Kramer; catchers Len Arevalo and Bernie Crawford; and infielders Art Adams, Jerry Stryker and Vance Gage. However, the Aztecs are playing in the best college baseball conference in the nation and may have to go some to overcome Fresno and L.A. State. Aside from the performances of the newcomers, there has been excellent play by such returning lettermen as pitchers Bob Randolph, Tom Biscotti and Larry Thompson. Big men at the plate include Burt Swain, Dick Salomon, Bob Moss, Dennis Rickards, Bob Steel and Jim Kennedy. With all this talent the Aztecs should be a favorite to capture the title again if they can manage at least a 14-4 conference record.

At the time the annual went to press the freshmen had compiled a 10-2 record. Before their two losses to a tough Palomar J.C., the little Aztecs had combined their talents and won nine games in a row.

Norman Marr and Richard Reed were the top pitchers with identical 4-1 records, while the run-producers were shortstop, John Frabotta; first baseman, Jack Udall; third baseman, Bruce Cohen; and second baseman, Mike Murphy. Bob Estavillo was out most of the season with a sprained thumb but is now playing and should help the varsity next year. Richard Maxey also has all the equipment to be an outstanding catcher. Other players who have done a fine job are Rod Pitcock, Dave Flesner and Dave Walden.

The varsity team, coached by Dr. Frank Scott, enjoyed a good season to April 10, winning nine out of eleven dual matches and capturing the biggest prize of all — "The Southern California Inter-Collegiate Title". Chuck Courtney, Alan Campbell and Carl Welty were the big men in that victory.

The Aztec's golf team's winning streak was broken this year when they went up against a tough Arizona State team. In this meet three Aztec players shot one-under-par 69's, yet still failed to beat their foes from Tempe. In the Western Intercollegiate Golf Tournament held in March, the Aztecs finished 46th with a team score of 592. Chuck Courtney claimed second in individual honors with a one-over par 285.

At the time the Del Sud went to press, the Aztec netters were undefeated in conference play. Aztec coach Al Olsen had stated earlier in the year that the team probably would finish no better than third. However, the playing of Gary Bunker, Searle Turner, Tad Thompson, John Emerich and especially Bobby Ray have turned coach Olsen’s lips to smiles. The hustle and come-from-behind play of all the tennis team members now makes the thought of capturing the CCAA title a reality.
FIRST YEAR AT SDS

San Diego State's first rowing team in 15 years opened its five-meet schedule on March 25. About 40 men have been practicing daily at the San Diego Rowing Club from 4 p.m. until dark and on Saturday mornings.

Coach Del Beekley said the workouts have consisted of rowing five to seven miles from the rowing club to Glorietta Bay or the Silver Strand and back. Beekley said the team's present equipment consists of three 8-oared shells, which he said was a distinct advantage for a team to get started with.

Coach Beekley said he thought his boys had been showing steady improvement since they first began practicing. With a little more practice and experience the Aztecs should start producing winners in the next few years.
On April 3, 65 football players began 20 days of spring practice under new head coach Don Coryell.

Coryell said he would stress offense during the first two weeks of practice and defense during the last two weeks.

Coryell will install a new formation attack where the quarterback, fullback and halfback will line up directly behind each other.

Coryell's staff will have veteran line coach Bill Schutte, Jim Erkenbeck and Joe Till. Erkenbeck who is presently coach at El Capitan High School, will join the staff permanently next fall. Till handled the Aztec freshmen team this year.

An intra-squad Red-Black game ended the spring workouts the night of April 29. The game was a revival of what was once an annual affair.
