IN CHOOSING SAN DIEGO STATE AS YOUR COLLEGE, YOU HAVE SELECTED A FAVORABLE ENVIRONMENT IN WHICH TO CONTINUE THE SEARCH FOR THE ELEMENTS OF MATURITY—THE SEARCH THAT IS EDUCATION.

THE ACQUISITION OF THESE ELEMENTS IS AS DEPENDENT UPON SURROUNDINGS AS UPON THE MORE FORMAL FRAMEWORK OF LECTURES AND LABORATORY APPARATUS.

A RICHER LOCALE THAN SAN DIEGO WOULD BE DIFFICULT TO FIND. IT IS MANY THINGS AT ONCE; IT IS THE WANDERING EMPTINESS OF A MISTY SHORE, THE ORDER OF A SKYLINE SHIMMERING BLUE-WHITE AGAINST THE NIGHT. IT IS A CITY THAT WHISPERS THE LUXURIANT OVERTONES OF A SPANISH HERITAGE IN THE SHADOW OF AN OMNIPRESENT SPIRIT OF GAILITY.

SAN DIEGO STATE REFLECTS THIS PATTERN. THROUGH THE COLLEGE, THE THOUGHT OF MANKIND IS PROJECTED, THAT EACH OF ITS MYRIAD COMPONENTS MAY BE PERCEIVED AND APPRECIATED, FOR IT IS HERE, IN DISCOVERY, THAT THE SEARCH ENDS YET BEGINS.

THIS AND THE BACKGROUND RICHNESS OF THE AREA COMBINE IN THE CONTINUOUS SPECTRUM OF EXPERIENCE FOUND ONLY IN THE LAND OF THE SUN.
Built centuries ago by the early settlers of California as guardian of the entrance of Mission Valley, the Presidio and Fort Stockton stand today as bastions of a different sort. They symbolize San Diego’s historic buildings which preserve and foster the Spanish traditions so much a part of our surroundings.

Representative of the city’s underlying love of beauty and appreciation for culture is the California Tower, the symbol of Balboa Park. Although constructed in 1915 for the Panama-California Exposition, the buildings continue to serve the public interest as museums and art galleries, while the park provides breathing space for a growing city.

San Diego's skyline shimmers across the harbor to Coronado where a ferry, veteran of countless channel crossings, watches and notes the difference that just five years of growth makes.

Southern California's philosophy of "Fun in the sun" is echoed throughout the county. In Mission Bay Park, only a few years removed from useless swampland, a burgeoning tourist trade has prompted construction of many new and beautiful hotels, such as the one pictured below.
Montezuma regards the campus with solemnity from his corner of the Quad.

Reflecting science’s penchant for precision is the geometric architecture of the Chemistry-Geology building.

Hello Walk gets constant use as students hurry between classes.
Two students take time out for a chat.

The Main Quad is a popular gathering place any time of day.

The Music building offers harmony of design.

Rapid expansion marks SDS; here the new Business-Math building nears completion.
PRESIDENT'S MESSAGE

This volume of the 1964 Del Surcante is one which you will no doubt cherish as one of the most valuable annuals in your scholastic career. It will serve as a constant reminder of many of your diversified activities on the campus whether they were curricular or extra-curricular. You will be most proud to retain this volume in your library and from time to time compare the campus during your residence here with several years hence. There is no doubt that in future years you will become more appreciative of the real value of a college education and of the excellent assistance San Diego State has extended to you. I trust you have profited greatly as a result of your social and academic experiences so that you may fit more successfully into your vocational and community life. In this present day a college educated individual is much more in demand than ever before. May you become most happy in whatever profession you select.

President

Associated Women Students

All the women students at SDS are members of the Associated Women Students. AWS sponsors twenty programs for women students each semester. Among them are the Program Planning Party during Orientation Week, a lecture series "It's a Woman's World," the Towle Silver Display, and an International Students Dessert. The Knobby Knees Contest and Frosh Fete are included in All Women's Week, a highlight of the fall semester. The AWS Woman of the Month and Woman of the Year awards are given to outstanding women leaders. Miss Roberta Hales is faculty advisor.

Associated Men Students

The Associated Men Students is an organization comprised of the male student body at SDS. AMS aims to provide well-rounded and diversified activities for men students. Among AMS-sponsored activities are surfing and sports films, after-game dances, a folk festival, a Christmas charity project, and Fite Nite, which is part of Men's Week, a high light of the fall semester. AMS also presents the Man of the Month and Man of the Year awards to deserving campus leaders. Frank Hoole is faculty advisor.

Senior Class

The activities of the senior class were centered around graduation. Senior Awards Day, held May 21, honored outstanding class members for their contributions to SDS. Baccalaureate services were scheduled with an informal reception for graduating seniors and their parents. Commencement exercises culminated class activities.

Junior Class

The junior class sponsored the February Flop dance, held the first week of the spring semester. A Bare Foot Drag and the traditional Blue Book Ball rounded out the year’s activities.
Sophomore Class

The sophomore class sponsored several activities this past year, including a Sadie Hawkins dance held during AWS "Catch a Man Week." Later in the semester the class sponsored a "Bring Your Favorite Fool to the April Fools Dance."

Freshman Class

The freshman class sponsored the Blue Book Ball held at the end of the fall semester. The dance, held traditionally at the end of finals, featured the Elliott Brothers band. The Belle of the Blue Book Ball was selected from a group of freshman candidates.
A new high in enrollment was reached when 14,550 students registered for classes in September. To new students, this was an experience long to be remembered. To the veterans of registration, the lines only seemed to get longer and the classes seemed to close faster. Plastic identification cards, used for the first time last fall, helped to speed the process of mass education. At the end of the three day episode, it was evident to seniors as well as freshmen, that in the eyes of the administration all are equal.

... Animal husbandry ... ani-m-

... But that's not possible—that class was just open a second ago.

A spirited assembly was a highlight of Orientation Week.
Pledge Presents

Presenting new pledges to the college and fraternities is always a big event. The 12 campus sororities presented their new pledge classes in the ballroom of El Cortez Hotel. Following the presentation of each new pledge, everyone relaxed and enjoyed dancing for the rest of the evening.

Mixed emotions are evident at the sidelines.

AWS Femme Fashion Show

The sophisticated young females at SDS find a chance to view the best of fashions.

Chi Omega Showboat

One of the annual fall highlights is "Showboat," sponsored by Chi Omega sorority. The traditional theme is accented by the southern dress of the sorority members. Voting for King Cotton is held at the dance and this year's king was Kent Lawson, sponsored by Sigma Chi. Advertising for the event is provided by a cotton picking contest on the bookstore lawn. A free bid to the dance is awarded to the best cotton picker.

... And the king is crowned.
Peace Corps Director
Speaks on Campus

Kicking off his California recruitment tour, R. Sargent Shriver spoke to San Diego State students on the Peace Corps program. Mr. Shriver, director of the U.S. Peace Corps, emphasized the fact that California supplied a majority of the 7,000 volunteers stationed in 46 countries. During the week of Oct. 7, a team of representatives set up a Peace Corps center on campus to supply students with information about the program and to administer entrance tests. As a result of the campaign, San Diego State set a national recruiting record for colleges and universities.

Student Union
Plans Approved

A record number of students voted, in October, on the proposed plans for the Student Union. The vote resulted in the approval of the student tax needed to make a dream become a reality. The planned addition to the campus will provide study rooms, an auditorium, snack shop, and recreational facilities. Although the construction date is still in the future, it is the present day students who have provided the spirit and enthusiasm to get the student center under way.

AWS Towle
Silver Display
Frosh Camp

To the new students of San Diego State, Frosh Camp provides an opportunity to become better acquainted with their campus. On a Friday afternoon they retreat to the mountains for a weekend. Along with fun, there are informative seminars led by campus leaders and school administrators.

IFC Bidding

Fraternity life can be a rewarding experience for any college man. Selecting the right group is a serious and, sometimes, tedious procedure. The Inter-Fraternity Council has organized the system of bidding to provide equal membership among the campus fraternities.

What do you mean—I can only have one?

The male students gather together to await results of bidding.

— and then the rains came.

Splish, splash, taking a walk on a Tuesday morning.
Carnival Becomes a Part of Homecoming

The Homecoming Carnival stimulated the interest and spirit of the students, as a climax to Homecoming Week. To enrich the activities of the week, the Carnival made its first appearance this year. There was fun and frolic for all to participate in and enjoy. The Carnival proved to be a successful addition to the activities of the week.

House Decoration

All work, no play is the motto for those who work on house decorations.

By the light of the moon a showboat takes shape.

Arms and legs—but what, no head?
For an entire week the spirit of the 1890's prevailed at San Diego State College. The first indication of its beginning was the feverish construction of house decorations, which added sparkle and enthusiasm to the activities ahead. Chairman Dale Trower and adviser Ken Sovay inaugurated new activities which made Homecoming a success. Among these events were a bicycle-built-for-two race, the crowning of Homecoming Queen Gayle Griggs at the Main Arch, and a carnival which enhanced, even more, the mood of the festivities. The week was climaxed by a 42-14 football triumph over the University of California at Santa Barbara. The dance held that evening brought to a close the panorama of sound and color that was Homecoming.
And the Queen is finally announced.

Miss Gayle Griggs is crowned 1963 Homecoming Queen by AS President Mike Spurgeon.

Miss Griggs is escorted to her car by Larry Wickstrom, president of her sorority organization, Tau Kappa Epsilon.

Bicycle Race and Dance Highlight Homecoming

Terry McPherson and Sandi Owens speed to victory in the Bicycle-Built-for-Two Race.

The Homecoming Dance at the El Cortez Hotel was the finale of Homecoming Week events.
Ben Trovaten auctions off members of the Sigma Phi Epsilon pledge class as slaves for a day. The slaves' tasks often include everything from washing cars to pledge duties at sorority houses.

Alpha Gamma Delta annually add enthusiasm to the Halloween season when they hold their Pumpkin Panic. Contestants in the event compete for coveted titles by carving a pumpkin into a thing of beauty. The final results are often frightful as well as funny.

slave sale

International Student Night

International Student Night provided our students from other countries with an opportunity to become better acquainted with each other and San Diego State. The friendly atmosphere of the Wesley Foundation Hall aided in giving a warm welcome to the new students.

Campaign speeches were the order of the day as AS elections approached in November.
LAC Presents

Peter, Paul, and Mary

Appearing before a sell-out crowd in Peterson Gym, Peter, Paul, and Mary brought to SDS a lively hootenanny spirit. The famous folksinging trio were making a fall tour of college campuses. Their appearance was greeted with anxiety and enthusiasm, even to the extent that a new sound system was installed for the occasion.

Julie London

Adding air of sophistication to the program, Julie London appeared at San Diego State with Bobby Troup and his jazz group. Miss London entertained in the Greek Bowl with a medley of her popular songs, including "Cry Me a River."

Don Cossack Dancers

The Don Cossack Dancers and Chorus appeared in concert in the CLS Auditorium. The program, sponsored by the LAC, included Russian folk songs, Cossack battle songs, sword dances, and national dances of Byelorussia.

AWS All Women's Week

One week each year is planned by AWS especially to catch the interest of the college coed. A highlight of All Women's Week was the Knobby Knees contest. A penny a vote determined the winner who was Bill Stubbs, sponsored by Kappa Delta sorority. Ten freshman coeds modeled campus clothes, sports outfits, and cocktail dresses in the annual Frosh Fete. Councilwoman Helen Cobb and three SDS male faculty members held a debate on "A Woman's Role in Politics." A surfing movie, "Autumn Leaves" banquet, and dance concluded the week. Bonnie Haefet served as chairman of the event.
Charity Football Game

The pledge classes of Sigma Phi Epsilon fraternity and Chi Omega sorority played a rough and rugged football game in the Charity Bowl last December. The money from the game was donated to the Muscular Dystrophy Association. Needless to say, the Chi Omega team won a decisive 19-7 victory over the Sigma Phi Epsilon team.

Farmers' Frolic

Farmers' Frolic, sponsored by Kappa Sigma, never fails to bring fun and excitement to the SDS campus. The pledges of the fraternity dress as farmers during the week to advertise the upcoming dance. In keeping with the spirit of the event, the fraternity holds a buttermilk drinking contest and a greased pig chase. Winners of those contests win a free bid to the dance.

Chariot Races

Pledges work harder at chariot races in the fall than at any other time. Each fraternity enters a racing chariot pulled by four pledges and a decorated chariot for the pageantry award. The decorated chariot enter the field carrying the group's Chariot Queen candidate. Winning this year's contest was Lambda Chi Alpha and its Queen, Nicki Armanino. Delta Sigma Phi was given the pageantry award.
Hootenanny

Several popular folk hootenannies were held during the year for the enjoyment of SDS students.

Christmas Carol

Prof. E. Kingsley Povenmire gave his annual reading of Charles Dickens' "Christmas Carol" at an assembly held during the Yuletide season.
Stephanie Smith is crowned Belle of the Blue Book Ball, by Steve Gibson, Freshman Class President.

Catch-A-Man-Week

1964 being a leap year provided AWS with the theme for Catch A Man Week. The events of the week centered around the interests of the college women contemplating marriage. Included in the activities were a bridal fashion show and a ring display. A discussion by Dr. Thomas Gillette gave the single girl an insight into the secrets of catching a man and provided a fitting conclusion to a most interesting week.

Miss Sally Hallenbeck, Best Dressed Girl on Campus, models during the Bridal Fashion Show.

Most Uncatchable Man, Henry Ramirez.

Miss Sally Hallenbeck and her friend pose during the Bridal Fashion Show.

Fite Nite

Fite Nite, sponsored by AMS, is one of the highlights of the spring semester. Sigma Phi Epsilon won the Fite Nite title by scoring a total of 59 points, with a total of some 800 spectators viewing the event. Miss Joan McCarl, a member of Alpha Phi sorority, won the title of Miss Knockout. She was sponsored by Sig Eps.

Fite Nite candidates: Joan McCarl, Linda Dickens, Gerri Jamieson, Karen Boyce, Loretta Gillette, Karen Chase, and Fran Wargo.

Each candidate spoke on "Why I Like Men."
Scientist and philosopher Sir Julian Huxley spoke at San Diego State on the "Humanist Revolution." He was at one time a professor at the University of London and, later, executive director of UNESCO.

Former CIA Chief Allen Dulles spoke at San Diego State as part of his tour of California State Colleges. His address concerned the CIA's responsibility in countering subversive movements and Communism.

Suzanne Owen represented Peach Flambe in the production of Le Gourmand. The San Diego Ballet Company performed three ballets for the entertainment of SDS students.

The wearing of Tyrolean costumes by Gamma Phi Beta members announced the sorority's annual Polka Party. Bids for the dance were sold from a Swiss chalet on campus. The Swiss Club in Chula Vista was the setting for the event, with music provided by the Kay-Nears.

A challenge football game between the Sweethearts of the Diamond, Pi Kappa Alpha auxiliary and the Daughters of Diana, Tau Kappa Epsilon auxiliary, was held this spring in Aztec Bowl. Both teams showed real gridiron spirit but Daughters of Diana emerged with a 6-0 win.
Alpha Chi Omega
Easter Seal Drive

As an annual event Alpha Chi Omega sorority conducts an Easter Seal Drive on campus. The donations, in excess of $400, went to the sorority's philanthropies, which is the National Society for Crippled Children and Adults. A highlight of the week-long drive was a roller skating contest. Pairs of skaters raced through the Main Quad with the winning team receiving a trophy from the Easter Seal Child of San Diego.

Goldwater Campaigns at SDS

As part of his whirlwind tour of Southern California, Sen. Barry Goldwater spoke in the San Diego State Open Air Theater. After an introductory statement, the senator answered questions directed at him.

Art Exhibit

To enlighten SDS students on the subject of art, exhibits are shown throughout the semester. These exhibits add to the cultural activities of our campus.
Sigma Chi
Derby Day

The men of Sigma Chi fraternity sponsored their annual campus event known as Derby Day. The men wore black derbies symbolizing the event during the week prior to the event. Teams from each sorority and women’s dorm competed for honors in contests such as a tricycle race, four foot, van-can relay, and a tug-a-war. Chi Omega sorority skillfully captured this year’s winning trophy and Carol Lane, Kappa Alpha Theta, was selected as Miss Derby Day.

Miss Derby Day, CAROL LANE

AS Elections

The month of April brought elections of AS officers. Candidates campaigned vigorously for various offices. Voting results made Jerry Harmon the victor in the race for Associated Students president for the coming year. Denny Moore, Linda Thompson, and Jim Ashcraft were elected to serve with him as vice president, secretary, and commissioner of finance respectively.

Candidates wait patiently for their turn to speak.

AS President Mike Sperry speaks to the students of SDS during the elections assembly.

An abundance of posters herald upcoming elections.
The Theatre Guild presents a series of productions throughout the year which give the drama students experience in professional production as well as providing the community with a source of fine entertainment. Participants in the plays are chosen by casting and readings. Such productions as Importance of Being Earnest, Queen of the Rebels, Beti, and View From the Bridge were presented by the group.

"A View From the Bridge," (from left): Dan Asmann, Jan Rotchstein, Anthony Kretowicz.

"This Property Is Condemned," (from left): Connie Kellog, James Carlsen.

"The Queen and the Rebels," (from left): David Canner, Robert Luster, Kerry Hanley.

This is our college, the rapidly expanding campus of San Diego State. With a total of approximately 14,500 students, SDS ranks third in enrollment among the seventeen California state colleges. It is the institution which offers "everything under the sun" to students living in the harbor of the sun, San Diego.

Phi Eta Sigma

Phi Eta Sigma is a national honorary scholastic fraternity for freshman men. Its major purpose is to encourage and reward high scholarship. Membership is based on a minimum of 3.5 for either semester of the freshman year. This year, Dennis Bunde served as president.

Alpha Lambda Delta

Alpha Lambda Delta, a national society for women which honors high scholastic achievement in the first or second semester in college, promotes intelligent living, a high standard of learning, and encourages superior attainment among the freshman women. A spring initiation banquet was held in conjunction with Phi Eta Sigma, as well as several lectures by SDS faculty members. It also co-sponsored the Founders' Day Scholarship Tea and provided guides for the California Scholarship Federation regional convention.

Las Meninas

Las Meninas, a Junior women's honorary, encourages leadership, high standards of scholarship, school and community service, and friendship in Junior women. This year's activities included a joint community project with other service organizations, a spring tea honoring Cap and Gown, a scholarship reception in honor of students on the Dean's list, and sponsorship of freshman girls.

 rightful events.
Kappa Pi, a national art fraternity, endeavors to uphold the highest ideals of a liberal education and encourages study and development of artistic inclinations. This year the members participated in the Inter-Collegiate Art Show, sponsored a Christmas art sale using only student products, decorated the children's hospital at Sharp Memorial Hospital, displayed their work in the Library and Commons, presented a scholarship, and gave a gift to the art department.

LYNN WOODWARD
Secretary

NANCY WALL
Treasurer

SUZIE SWENSON
Corresponding Secretary

Kappa Delta Pi, a national society for promotion of high standards of preparation and fellowship among teachers, encourages high professional, intellectual, and personal standards as well as recognizing outstanding contributions to education. The major activity of the group this year was to send its president to the national convention held at Purdue University.
Epsilon Pi Tau, an international honorary professional fraternity in industrial arts and industrial-vocational education, sponsored the Epsilon Pi Tau Banquet, the Industrial Arts Conference, and several scholarship activities this year. One of its major purposes is to raise the level of individual and group competencies in industrial arts. The trustees are Dr. W. Carlisle Anderson and Dr. Lawrence Luce.

The Student California Teachers Association is an affiliate of the California Teachers Association and is open to all students interested in the field of education. Among the major purposes of SCTA is the development of professional attitudes and ethics among students. This year it heard speakers in the education field such as Dr. Dan Dawson and sponsored the Seven Professional Problems Conference. The theme of the conference was, "Should I teach in a culturally deprived area school?"
Aztec Ski Club

The Aztec Ski Club is designed for the promotion of interest in skiing. It provides an opportunity for its members to make skiing trips at reduced group rates. This year it held dry land ski lessons and traveled to Big Bear, June Mountain, Mammoth, and Alta. The highlight of the year was a trip to the Winter Olympics in Austria. In addition to skiing outings it provided a large variety of parties for its members.

American Marketing Association

The American Marketing Association opens its membership to any student who is interested in marketing and also to prominent local business men. A tour of large business firms in the Los Angeles area highlights each semester. Marketing Information Day, organized by the AMA, provides an opportunity for students to question local businessmen concerning marketing opportunities.
Alpha Phi Omega

Alpha Phi Omega national service fraternity serves SDS by compiling the student Redbook, distributing Careers booklets to seniors and ushering at LAC programs and football games. The spring semester president is Homer R. Clayton.
Spurs, an honorary sophomore women's service organization, requires a 2.5 GPA to gain membership. This year it worked with the blind at a children's home, assisted during elections and the Student Union campaign, and washed faculty car windows to promote safety during the Christmas season.

Cetza, an honorary freshman women's organization, requires fifteen hours of service prior to being tapped for membership. The tapping ceremonies were held at the AWS banquet during AWS All Women's Week. A 2.5 GPA must be maintained for membership.

Cetza

Circle K

Circle K, a service organization for college men, is sponsored by the Kiwanis. Its purposes are to render service to the campus, develop leadership, and to promote the American way of life. This year, its activities have included a pancake breakfast, a canned food drive for the Salvation Army, ushering at LAC concerts, sponsorship of the Campus Beautification Week, See's candy sale and a campus dance. It also was the host club for the district convention which included delegates from California, Nevada, and Hawaii.

ROW 1 (from left): Eric Eliason, Richard Hart, Ralph Parry, Richard Johnson.
ROW 3 (from left): Eric Eliason, Richard Hart, Ralph Parry, Richard Johnson.
This year Hillel, a national organization for students interested in Judaism, sent delegates to a leadership convention for the Pacific Coast area, sponsored a lecture by Mrs. Jonas Salk on "Open Housing," held a Hanukkah party, and participated in a program of Israeli singing and dancing. Hillel also conducted a Passover Seder commemorating the liberation of the Israelites from Egyptian slavery.

The Newman Club works to develop spiritual, educational, cultural, and social interests of Catholic students on the campus. This year it sponsored a dance after the Fresno State basketball game, held a party for an orphanage, conducted two mountain trips, and held discussions at the Newman Club Center twice a week.

Sigma Alpha Iota, a national women's music fraternity, places special emphasis on the development of better musicianship, scholarship, and performance. This year its members ushered at concerts and sponsored a concert in the fall and spring semesters.

This year the Christian Science organization held a reception for new students, gave a scholarship, heard lectures, participated in Religion-in-Life Week, and held weekly meetings which included readings and testimonies.
Angel Flight

Angel Flight, an auxiliary to Arnold Air Society, promotes the Air Force program on campus and in the community as well as serving as the official hostesses of SDSC. In its official capacity as an honorary service organization Angel Flight ushered at both Freshmen Orientation and Homecoming, distributed information to visitors on Founders' Day and sponsored a Christmas party for orphans. Angel Flight members must be at least second semester freshmen coeds with a minimum grade point average of 2.5.

Arnold Air Society, a professional honorary service organization of AFROTC cadets, sponsors the AFROTC Sabre Drill Team and the Military Ball. Members ushered at football games, distributed information to visitors on Founders' Day and sponsored a Christmas party for orphans. One of the group's major aims is to aid in the development of effective Air Force officers.
The Daily Aztec was published four times a week this year, including coverage of national and international events as well as campus news. The newspaper featured columns such as the Learned View, Party Line, Socially Speaking, the Fifth Column, and After Hours.

This year Sigma Delta Chi, a national journalism society for men, sponsored a dinner in honor of students who made outstanding contributions to campus journalism, conducted two high school journalism competitions, and presented a trophy to the county newspaper which contributed the most to education. One of the major purposes of Sigma Delta Chi is to elevate the prestige of journalism in every respect.
Del Sudoeste Staff

Being a part of the DEL SUDOESTE staff is not all fun and frolic. It takes hours of painstaking work, with much attention to details and specific obligations, to produce a yearbook. Other classes and part-time jobs tend to diminish in importance as deadlines draw near and the pace becomes chaotic.

The 1964 Del Sud staff was an unusually cooperative and unified group, working closely to assure the completion of an exceptional yearbook. Encouraged by a benignly patient, generally jovial editor in chief, staff members learned to face countless problems and decisions independently.

We strove to bring you "Everything under the Sun."

May we humbly offer to each student the final product of many months and many minds, the recorded memory of a college year: your 1964 DEL SUDOESTE.
The Aztec Engineer, a non-profit technical magazine, is published four times yearly, in November, January, March, and May, by the engineering students of San Diego State. The publication, one of the few on the West Coast, strives to give engineering students the experience of working on a technical magazine and allow them the opportunity to have their own work published.

Symphonic Band
This year the Symphonic Band held two formal concerts, two pep concerts in the Main Quad, a concert at the county music festival, and a concert at Morse High School. The spring semester Symphonic Band is made up of the members of the fall Marching Band.

Orchestra
The Orchestra held four public performances this year. It featured student and faculty soloists as well as the music of a student composer. The Orchestra, conducted by Paul V. Anderson, also accompanied the College Chorus in the fall and spring semesters.
Music Department

The Music Department offers a large number of activities for those who enjoy music. The departmental organizations include the symphonic band, marching band, symphony orchestra, Aztec Concert Choir, Treble Clef, Men's Glee Club, Male Quartet, Opera Workshop, College Chorus, and several chamber music groups. One of the highlights of the year was the premiere performance by the College Chorus of THE SONG OF MOSES written by David Ward-Steinman.
San Diego State students produce the entire KEBS-FM radio station programs. The station features music, news, educational programs, and special events on campus. KEBS is a member of the National Education Radio Network.

The SDS Television and Radio facilities have over $250,000 worth of equipment. The TV studios, which are operated by students, produce Profile and Comment which are shown on Channel 10. They also produce closed circuit programs for the health education and psychology departments.

Freshman debater Sharon Maniss holds forth while colleague Carol Pederson searches for evidence. Opponents are Gil Clardy and Jim Carlsen.

Senior debater Paul Lucas holds emphatic trophy from Western States Championship. Sophomores Ed Millican and Bob Putman look on.

Candy Trimble, president of Pi Kappa Delta, examines debate case while Coach Larry Samovar and Manager Pat Munster look on.

Imperial Valley Campus

The Imperial Valley Campus of San Diego State was established in 1959. The IVC’s program is an integral part of SDSU under the direction of the Dean of Education and Extended Services. The school offers courses for upper division and graduate students in education.

Through the cooperation of local schools, practical classroom experience is provided for students seeking teaching degrees and credentials. Through this program students are able to earn three-fourths of a teacher’s salary while earning college credits.

The school is located on the campus of the Imperial Valley College, a junior college. The campus operates only from September until June, covering the time when climatic living conditions of the desert are at their best. All buildings, including offices and classrooms, are equipped with refrigeration air conditioning.

Glory and Disappointment
Mark 1963 Season

One of the strongest teams in Aztec history gave ground to two major opponents during the season to give Coach Don Coryell's Montezuma maulers a 7-2 record. The great team effort cannot be overlooked, but the outstanding services of such men as Kern Carson, Mario Mendez and Neal Petties became the bulwark of the Aztec success.

It is this depth and power which is giving to the professional ranks a variety of future draft choices. Carson, Mendez and Petties have already been signed. Mendez signed with the San Diego Chargers and Carson and Petties together signed with the Baltimore Colts of the NFL. Tackle John Farris is a future draft choice of the Chargers and Los Angeles Rams and fullback John Butler is a future draft choice of the Baltimore Colts.

These athletes are an example of what Coach Don Coryell has built in the last three seasons as head coach at San Diego State College. He has been ably assisted by Coaches Bill Schutte, offensive line; Tom Bass, defensive line; Max McCartney, defensive backfield; and Gary Potter, split end coach.

Several long standing records were broken during the last two seasons, some of which were most points scored in one game (32) and most touchdowns in one game (5), Mario Mendez; most career receptions (63), most touchdowns on receptions (13), and most yards gained on passes (1,277), Neal Petties; most carries in one game (28) and most yards gained in rushing in one game (236), Kern Carson.

Other standouts: Rod Dowhower, who passed for 1,267 yards while sparking the backfield and ends to a total offensive yardage of 3,264 yards. Art "The Mouse" Delvaux surprised the fans many times with his fantastic punt and kick-off returns. Junior split end Eddie Mendez punted for over 1,200 yards for a 40.1 yard average (best in the nation) to say nothing of his fine defensive work.

The front line limiting opponents to only 2,201 yards was led by All-GCAA players John Farris, David Law, Dave Mennon, John Godden and Joe Sleeker. Godden was out a good part of the season with an injury.

Also spearheading the attack was Dave "Buffalo" Bowers, Mike Collins, John Farris, and Jack "Sleezy Jack" Mills, perhaps the finest linebacker on the west coast. Split-ends Roger Clark, Kent Lawson and Neal Petties proved their prowess on defense as well as offense. Adding more beef to the line were Ronnie Shannon, Walt Cubley, Tom Hoffman, Lloyd McCay, Dave Peterson, Don Royal and Joe Sleeker.

Vic Stark, the man with the educated toe, added a note of brilliance by putting 31 extra points over the crossbars. Edbridge Cooks, intercepting four passes during the season, averaged 25 yards per return besides one touchdown. Full-backs Jimmy Stauber and Dale Hunting, besides doing fine work both on offense and defense, added a little bit of Ivy league contrast to their otherwise rough and rugged counterparts.

The Aztecs were finally ranked as the seventh small college team in the nation while averaging an outstanding 38.1 points per game and yielding to their opponents a mere 12.8 average. Hanging up the cleats after another inspired year, the Aztec varsity men resumed the role of plain students. But they will return—and look out next year!

Frosh Go Winless - Individual Stars Shine

JV Football

Strong frosh teams from UCLA, USC, Arizona State and several junior colleges composed the 1963 SDS junior varsity football schedule. Many hard fought games highlighted the season, giving the junior Aztecs innumerable bumps and bruises, plus a lot of valuable experience, but as a result the Papooses finished winless.

Fine individual performances were uncovered in the passing of quarterback Dan Helzer and the excellent receiving of his two ends Tony Clark and Larry Dubbs.

SDSC score a TD despite the efforts of a determined Papoose squad.

To the showers after a hard fought game.
Injuries Cost Harriers CCAA Crown

Coach Choc Sportman's defending champion Cross Country team from San Diego State failed to retain its title by placing second to Long Beach State in the CCAA championships at Long Beach. Although riddled by injuries, the Aztecs still managed to place second through the fine performances of Ted Hack and Jim Montgomery, two former Helix High stars, and Gavin Riley. However, the absence of Jim Conlay and Mike Golden, both sidelined with knee injuries, probably cost the Aztecs the title. Conlay, who now holds the Aztec record for the Mt. SAC invitational, was rated earlier in the year as the best Cross Country runner in San Diego State history by Coach Choc Sportman. The new three mile Cross Country course laid out along Highway 80 near the medical center will facilitate future collegiate Cross Country competition at San Diego State College.

The Aztecs compiled a 15-11 over-all record and placed third in the California Collegiate Athletic Association with a 6-4 mark. The Aztec hoopsters, sporting many fine individual performers, never seemed to get rolling for an extended period.Fortunately, the Aztecs were tough but the offense was erratic, moving through periods of high and low scoring. Their total of 183 points scored in two games against Fresno State this season snapped the two game series mark of 182 points set against Fresno in 1956. However, they also played three straight games in which they averaged only 48 points per game. Fortunately for the Aztecs, the future is still bright because the starting team consisted of juniors. The entire team will lose only two players, seniors Forrest Giliberto and George Roberts. All CCAA guard Jack Shawcroft, San Diego's fiery ball hawk, captured the Aztec individual scoring title for the second straight year. The 5'-10" backcourt star scored 363 points for a 14.0 average. Jim Bowers, was picked for the CCAA second team. Jim, a 6' guard, whose fastbreak layups and deadly jump shot from the corner, made him third in scoring for the Aztecs. Al Catlin, in his first year at San Diego State, did a tremendous job for the team. He led the team in rebounds and was second in scoring. Rounding out the squad were centers Bob Mackey and Larry Willis, forward Larry Meek, and outstanding sophomore guard Graig Nettles.
It's my ball and I'm leaving.

Larry Willis jumps high for a rebound.

Faces that tell the story of the game.
Frosh Basketball

Under the direction of Coach Carl Benton, this year's freshman basketball squad was composed of a group of spirited athletes whose hustling style of play provided the fans with plenty of action and excitement. The Papooses relied on an alert defensive game alternating between a zone and a man-to-man defense. Two defensive standouts were John Adams, who was often called on to guard the big man, and Mike O'Hare, a short but scrappy ball hawk. Spearheading the fastbreak offense employed by the frosh were John Adams and Tom Ault. Adams, playing the forward position, led the team in scoring with a 17 point average and was second in rebounding, while Ault, a guard, maintained a 10 point average. David Calhoun, in addition to good defensive play, finished the season with the most rebounds.

Water Polo

The 1963 Water Polo Team had the distinction of being the only team in the country without a pool. Needless to say, this was a difficult obstacle to overcome. As a result, the Aztecs lost all of their games. However, even the absence of a pool failed to dampen the team spirit. Many fine individual performers were uncovered who will help in future years. Among these were team captain, Al Spitalnick; most improved player, Mike Gerry; most valuable player, Jarrett Lake; and goalkeeper Dennis Tilson. Other outstanding performers included Court Kenaston, Gary Worth, Joe Rogers, and Bob Gardner. With the addition of water to the pool, the team hopes for a more successful season in 1964.
With the addition of Norman Ferrandy as the new coach of the Aztec Rugby Club, the team has progressed steadily and the caliber of their ball playing has improved. Ferrandy is a former international rugby player from South Africa. This year there is an increasing number of SDS students who have discovered the exciting game of rugby and are fortunate to be represented by a winning team. The SDS ruggers won the league in their first year, came in second the past five years, and seem a top league contender this season. They did an excellent job of displaying their power this year by destroying the UCLA ruggers 29-0. Several outstanding players include Bob Prahl, captain; Paul Plumb, vice president; Phil Grant, high scorer; David Lay, Dennis Wise, and Mike Madigan, winger. With continued success and increasing interest and support, rugby at San Diego State promises to become a more vital part of campus life.

The SDS wrestling squad finished the CCAA dual match competition in a tie for first place with Cal Poly (SLO). However, the flip of a coin gave the Aztecs the trophy. In the first year of CCAA dual match competition two years ago the Aztecs were first and last season Cal Poly won. In the CCAA tournament at San Luis Obispo the Aztecs, nursing a rash of unexpected injuries, were unable to place higher than fourth. Individually, however, a fine performance was turned in by freshman Ed Hoffman, who came through as expected to win the 177-pound title. He was also undefeated in 11 dual matches this year. Merrell Davis, senior team captain who wrestled with an injured leg, was unable to claim his third straight title. Frank Brown placed third in the CCAA meet but finished the season as the leading point maker. John Zook, who led the team in pins, including a 36 second pin against Cal Poly (Pomona), was unable to compete because of illness.

Hey ref, got a light?

“Wild Bill” Clauder executes an impressive pin in the LA State match.

Hundreds of spectators watched the Aztecs clash with the powerful Trojan war horse from the University of Southern California, the defending NCAA track and field champions, and a strong Long Beach State squad. This meet, a triangular affair held at the Aztec oval, saw some of the finest athletes in the world compete. Among Trojan entries were two all-time Southern California greats in javelin thrower Larry Stuart (267 ft. 3 inches) and pole vaulter Mike Flanagan (15-9). Other entries included seven-foot high jumper Joe Faust and Jamaican broad jumper Wellesley Clayton (23-2¼).

However, not all the talent emerged from the Trojan camp. The 1964 track season at SDS, at the time the Del Sudoeste went to press, saw numerous records broken. The 440 and 880 yard relay teams, comprised of Darryl Nelson, Larry Godfrey, Rich Heckler, and John Gedney, broke the school records in both events. Larry Godfrey defeated Dee Andrews, of Long Beach, in the 330 intermediate hurdles in 38.2 seconds to better an Aztec mark. Norm McMillan also set a school record when he cleared 15 feet in the pole vault.

**COACH C. R. SMITH**

**Varsity Baseball**

The Aztec nine, sporting a 10-8 record as of April 6, had not yet entered CCAA competition. Opening League play April 10 at Fresno was an Aztec team weakened by injuries. According to Coach Charlie Smith, in his 26th season as head coach, the team was without the services of five pitchers. Leading the Aztec's hitting attack was outfielder Charlie Neel with a .377 batting average. Other players hitting over .300 were Bob Estavillo, Mike Murphy, and Bill Marseilles. Leading in home runs and runs batted in was second baseman Craig Nettles. A few of the real workers on the pitching staff were Bill Lefler, Stan McNeal, and Norm Marr.

Relief pitchers and catchers joke around between innings.

Roger Clark moves for the ball in left field.
Coach Charlie Smith watches the game from the dugout.

A panoramic view of the Aztec's home field located behind Peterson Gymnasium.

Aztec Infielders

ROW 1 (from left): Mike Murphy, Tom Cassie, Gary Neel, Bill Marcellinis.
ROW 2: Bob Sturway, Dave Frazier, Don Sodaro, Rich Serrano.

Varsity Golf

NCAA Contenders

BUTCH CARTER

ALAN CAMPBELL

COACH FRANK SCOTT

The 1961 Aztec Golf team, coached by Frank Scott, proved itself to be one of the country's top collegiate outfits. By winning the LA Invitational they beat such fine teams as USC, UCLA, and Fresno State. The Aztec teams of Alan Campbell-Butch Carter, Ernie Hauser-Bruce Washburn and Jim Gilbert-Paul Tuttle took the first three places and the Aztecs won seven out of the eight awards given. At the time the yearbook went to press the Aztecs held an impressive 8-2 record for dual matches and were an expected contender for the NCAA title.
Varsity Tennis

The SDS netters, under the direction of Coach Al Olsen, posted their third win in four CCAA tilts by defeating Long Beach State 3-1 only a few hours before the Del Sudoste went to press. Other victories came against Cal Poly (SLO) 7-2 and Fresno State 3-4. Their single league loss was to San Fernando State 5-4. Fine individual performances were given by John Wallen, first man in singles play; John Emrich, three year varsity letterman and the only senior on the team; John Cheney, and John Lehton.

John Wallen

Varisty Swimming

When the Del Sudoste went to press the highly improved SDS swimming team had compiled a 3-2 dual meet record while setting many school marks. Mike Gerry set two of the new marks with a 50.5 in the hundred yard freestyle and a 1:54.6 in the 200-yard freestyle. Mark Bruce broke his own record by finishing the 500-yard freestyle in 5:24.3 to erase last year's mark of 5:30.3. Another record to fall came in the 500-yard freestyle relay. Four Astro swimmers went the distance in 3:36.2 seconds. Sophomore Mark Bruce captured three first places and Dave Szuch took two seconds at Long Beach in qualifying for the NCAA small college finals in the Western Regional championships.
Gymnastics

The San Diego State gymnastics team, comprised of sophomores and juniors, made a slow start but improved rapidly as the season progressed. Sophomores Skip Spindler and Dennis Johnston led the team in scoring, and fine individual performances were also turned in by Mickey Johnston and Terry McPherson. Curt Gates, in his first year as gymnastics coach at San Diego State, has done an excellent job of rebuilding the team.

Freshman John Gaines demonstrates a German Giant as a part of his routine.

Mickey Johnston lowers to a straddle scale in his free exercise routine.

Sophomore Skip Spindler shows a tuck back flip on the trampoline.

Freshman Don McDaniel lowers from a difficult handstand on the rings.

Terry McPherson holds an L-position on the parallel bars.

FRONT ROW (from left): JOHN GAINES, JOE SAUNDERS, DON McDANIEL, MARC PAISIN, SKIP SPINDLER.

BACK ROW: JOHN PEARSLEY, ROBIN HALLEY, RUSSEL BLOCK, MICKEY JOHNSTON, TERRY McPHERSON, TERRY KLEEMAN, GEORGE GAUDET, DENNIS JOHNSON, LEE OLSON, COACH CURT GATES.
In its fourth year of competition the SDS crew was host to the Western Collegiate Rowing Championships for the first time. Entered in the meet were the 12 members of the Western Intercollegiate Rowing Association. The varsity crew, having only three returning lettermen, dropped its first two dual meets of the year to Oregon State University and Orange Coast College. The junior varsity, who proved more successful in winning both meets, should provide a source of additional strength for the varsity in 1965.

Del Beekley, who is president of the Western Coaches Crew Association and is on the executive board of the National Association of Amateur Oarsmen, coaches the Aztecs.
**IFC Sports**

Intramural sports continued their rapid expansion this year and have moved from essentially an IFC program to one that includes a high percentage of the male student body. Participation in the various sports has grown to over two thousand men entered in 34 leagues and tournaments this past year. New programs added this season were wrestling, independent flag football, and volleyball doubles. IFC competition in both the Black and Red leagues proved to be more evenly balanced, with frequent upsets in both divisions. Hundreds of spectators watched the Kappa Sig football team down the SAE's 13-6 in a crucial contest, and Sigma Chi beat Pi Kappa Alpha in a close match for the volleyball lead. Sigma Phi Epsilon, in a surprise upset, defeated Sigma Chi 42-39 in the opening game of the basketball season. An independent point contest very similar to the year-long fraternity contest moved into full swing for the independent groups, involving many campus clubs and organizations.
The purpose of the Panhellenic Council is to establish further cooperation and understanding between the twelve sororities on campus. The Council is responsible for maintaining Panhellenic rules within the sororities. Many Panhellenic activities are held jointly with the Inter-Fraternity Council, such as Greek Week and Greek Retreat. Panhellenic also sponsors Pledge Presents and an annual Panhellenic Workshop in the spring.

All fraternities at San Diego State College are national and are members of the Inter-Fraternity Council. The Inter-Fraternity Council is the governing body of the fraternities, and consists of the president of each fraternity, plus an additional delegate. The Council's object is to strengthen the Greek system at SDSC. Along with Greek Week and Greek Retreat held in conjunction with the Panhellenic Council, the Inter-Fraternity Council sponsors a fall and spring rush. During rush, IFC strives to pledge men who will be well-rounded individuals, academically as well as socially.

GREEK RETREAT

Greeks representing 26 groups headed for a mountain retreat on a rainy Friday afternoon in November. Scheduled for the weekend were guest speakers, discussion groups, films, and a lot of fun. It didn't take long for the Greek representatives to realize that fraternal problems affect every organization. As a result, the controversial questions were discussed not by individuals, but by those interested in a stronger and more united fraternal system.

Guest speakers and their topics included Dean Margery Warner, "Greeks at San Diego State"; Dr. Will Kidwell, "Greek Ideals versus Greek Practices"; Judge Richard Ault, "Greeks versus Member Groups"; and Dean Herbert Pruller, Tom Fetterly and John Doggett, "Discrimination." After each speaker's presentation the assembly broke into small groups to look at each topic objectively and realistically. Through the efforts and planning of co-chairmen Doug Alyn and Teri Shonaker, Greek Retreat proved to be a rewarding experience for all who attended.

Doane Pond makes a beautiful setting for our group.

An informal group discusses ideas between seminars.

Greeks head toward the lodge for a morning seminar.

DEDICATION

The 1964 DEL SUDOESTE is dedicated
in the memory of
JOHN FITZGERALD KENNEDY
the 35th President of
the United States of America
May 29, 1917 -- November 22, 1963

Every emotion has been touched

Every word has been spoken

He lies in history;
Now is the time for reflection
Cap and Gown

To be tapped for membership in Cap and Gown, an upper division woman must have attained an over-all grade point average of at least 2.8 and be considered outstanding in two different fields. The group's purposes are to promote and maintain a high standard of scholarship, and to develop a finer type of college woman. Cap and Gown's major projects are a leadership school for outstanding freshmen and sophomore women, a banquet for its alumnae members, and the promotion of various cultural activities such as the ballet. Dean Margery Warner is faculty advisor to the group.

Blue Key

Membership in Blue Key national honor fraternity is based on the display of outstanding leadership in all fields of campus activity. Men tapped for membership must have a grade point average above the all men's average and be considered outstanding in at least two fields. Each semester Blue Key sponsors a $50 scholarship for outstanding underclassmen displaying leadership potential.

Members not pictured are Frank Hoole and Doug Palenschat.

Education; Pi Beta Phi; SCTA.

MARION ZMORA 
Elementary Education; Alpha Epsilon Phi; Hillel; Young Democrats.

CYNTHIA ANNETTE ZOOG 
Psychology.
Alumni Association

The San Diego State College Alumni Association is involved in many activities related to the campus and the alumni. They co-sponsor the annual Red-Black game; participate in Founders' Day by providing buses to tour the campus, and sponsor the alumni reception. A monthly alumni newsletter is sent to all members of the Association containing campus highlights and a calendar of the current month.

A meeting of the Alumni Association Board is held monthly during which time plans are made for presentation of awards, dinners and other academic and social events.

The 1964 DEL SUDOESTE is the result of the efforts of not only the yearbook staff itself but also to the cooperation of many others whose assistance was invaluable.

I would like to express my sincere gratitude to—

—Cecil Hamilton (and Helen), the Daily Aztec, Mr. Joe Renteria, Bob Goddard, Ray Fukamizu, and Richard Barnes for their photographic contributions.

—Mrs. Marybelle Bigelow and Dr. W. Carlisle Anderson.

—The fall pledge classes of Gamma Phi Beta and Zeta Beta Tau and to Cetza and Spurs service organizations for their help in sales promotion.

—Mrs. Marie Boutelle, the cashiers in the Aztec Shops, and Mrs. Veva Link for handling the necessary paper work involved in yearbook production.

—Mike Evans and Linda Suiter for their encouragement and assistance.
