The Musically Inclined
Far away there in the sunshine
are my highest aspirations. I
may not reach them, but I can
look up and see their beauty,
believe in them, and try to
follow where they lead.
—Louisa May Alcott
David "Deacon" Turner (22) went over the top and Joe Davis (10) called the signals for the mighty Aztecs.
Binky Benton (35) and Ed Imo (91) provided additional power to an outstanding football squad. Loyal Aztec fans came in throngs to see State do its thing.

Soccer Establishes Roots at State

Good Old College Spirit

Above. Gordon Dallas (4) and Steve Baardson (15) work the ball. Above right. Jose Chavez, goalkeeper makes a save as Jan Norby (9) looks on. Left. Two-time All-American Alan Kelly leads the attack.
Gayle Sutres (54), Joel Kramer (50), Mike Dodd (14), and Laura Dion (35) shine on the courts.

Brian Donohue of the Aztecs walks with Steve Scott after a race. Patrice Shmock shows style in the hurdles. Janeen Dell 'Acoua aims the javelin and Bill St. John sets the pace for the others.
Preparing for a meet, Carol Lave, Lisa Scillato, and Tricia Felio show their gracefulness and flexibility on the beam.

Dana Lee swings the racket in Tennis. The water-polo team shows its form as the X-Country team loosens up. Bruce Schiff (12) of the fantastic Aztec Baseball Team makes the play.
A member of the Field Hockey team warms up. Doug Elliot powers a ball with his swing and Thad Troedson winds up for a pitch. Liz Dudash smashes the tennis ball with style.

The 1977-78 Senior Yearbook is sponsored by the Circle K Club as a service to the graduating senior class.

Circle K is a Kiwanis sponsored organization and is the world's largest community service organization for college men and women. During the past year, the club here at San Diego State has been involved with helping many local agencies such as the Multiple Sclerosis Society, the Cedar Community Center, Project Concern, the Home of Guiding Hands, Hogar-Infantil, the American Red Cross, Hillcrest Receiving Home, and others. Proceeds from the sale of the senior yearbooks help make our work possible.

The following individuals deserve special recognition for their assistance in preparing this yearbook:

- John Mafi, University Sports Information Director
- Jerry Elliott, University Public Affairs
- Ian Cummings and Charles Landon, Daily Aztec Photography Staff
- Mary Jane Dow, Cover Designer

In addition, I would like to thank fellow Circle K members David Carbajal, Sue Reed, Maria Zumaya, and David Ross for their work on the yearbook committee.

The Circle K Club hopes that you enjoy this memento of your years at San Diego State University.

Best wishes,

Douglas Case
President

Circle K members participating in their annual Roui-a-thon for the Multiple Sclerosis Society.
As a student of San Diego State University you've been sowing so that you may reap the rewards of the life you have planned for yourself. The San Diego State University Alumni Association applauds your efforts and sincerely hopes that your plans are realized.

When you enrolled at SDSU you became an alum of this University and as an alum you should be aware that others have sown and reaped before you making it possible for you to attend and graduate from the University. State funding paid for only a part of your education. Scholarship programs, research programs and improved facilities needed to achieve what has been called the "Margin of Excellence" need the support of the San Diego community and the SDSU alumni.

When you become a member of the SDSU Alumni Association you not only benefit through the Association's many recreational, cultural and educational programs but you also greatly enhance the quality of education at our institution and ultimately, the quality of life in our community.

You've been doing some sowing for yourself these past years and we wish you success; now we ask you to help reap some rewards for SDSU, too. Please call 286-6907 or write to: San Diego State University Alumni Association Alumni House San Diego, Ca. 92182
